BYE-LAWS AND REGULATIONS

OF

THE INCORPORATION OF MASONS

OF

GLASGOW

As Adopted by a General Meeting of that Incorporation, and as Amended and Enacted by the Trades House of Glasgow on the 30th day of January, 1879, as the Bye-Laws and Regulations of the Incorporation of Masons of Glasgow, to be in force from said 30th day of January, 1879,

And Incorporating therein

Alterations from time to time subsequently made by the Incorporation, and Ratified and Enacted by the Trades House, and being, with said Alterations, the Bye-Laws and Regulations in force from and after 13th October, 1926.

I.—NAME, STYLE, AND DESIGNATION OF INCORPORATION.

The said Incorporation shall be known as heretofore under the name, style, and designation of The Incorporation of Masons of Glasgow, and shall be governed, in time coming, as hereinafter provided for.

II.—MANAGEMENT OF THE INCORPORATION AND OFFICE-BEARERS.

The business of the Incorporation shall be managed by the Master-Court, consisting (besides the Honorary Members who may be elected in terms of Rule V., Section 10) of a Deacon, Collector, twelve Masters, the late Deacon, and late Collector. The late Deacon and late Collector shall be Members of the Master-Court, *ex officiis,* for one year, and shall also be Key-Keepers. Any five of the Master-Court shall be a quorum.

III.—MAKING UP OF QUALIFIED ROLL OF MEMBERS.

The Qualified Roll of the Incorporation shall be made up at the Lammas Court Meeting, and shall be finally closed before proceeding to the election of Office-Bearers on the day fixed for that purpose. No Member who has not been a year and a day a Member, or whose name is not in that roll from being in arrears in payment of his annual contribution, or who may be receiving aid from the funds of the Incorporation, or from the funds of the Trades House, or any other of the fourteen Incorporations, shall be capable of voting or being voted on in the election of Office-Bearers.

IV.—DEACON, COLLECTOR, AND OTHER OFFICE-BEARERS.

(1) The Member to be elected to the office of Deacon must have held the office of Collector for one year, and have been honourably discharged of his intromissions, and further, have been a year out of that office. The Deacon shall hold office for one year, but shall be eligible for re-election to that office.

(2) The Collector shall be chosen from among the qualified Members of the Trade, and need not previously have held any office in the Incorporation. The Collector shall hold office for one year only.

(3) The Masters shall be chosen by the votes of the qualified Members, and they shall be elected for a period of three years. The four Masters longest in office shall retire by rotation each year, but they shall always be eligible for re-election. Four Masters shall be elected to supply the places of those retiring by rotation; and also a Master or Masters to fill up any other vacancy or vacancies which may have occurred through death, resignation, or otherwise; and the person or persons elected to such vacancy or vacancies shall hold office only until the expiry of the period for which the vacating Member or Members had been elected.

(4) The Incorporation shall also elect from the Trade generally—(*a*) Two Members to represent the Incorporation in the Trades House, along with the Deacon and late Deacon; (*b*) a Member of the Building Committee of the Trades House, who must be a Member of the House; and (*c*) a Delegate for the Lands of Gorbals belonging to the Trades House and Incorporations. In reporting the election of the Representative to the Trades House, it shall be certified in the minute of election that the person elected is either a Trades' Burgess of Glasgow, or has paid the Entry-Money of Two Guineas to the Trades House.

V.—MODE OF ELECTION OF OFFICE-BEARERS.

(1) After the adjustment of the Qualified Roll at the Lammas Court Meeting, a list of persons, other than those who hold their offices *ex officiis* (excepting the Clerk and Officer, whose elections are after provided for), shall be nominated at said Meeting for the various offices of the Incorporation. The nomination for each office shall be made separately, and each nomination must be made by one qualified Member, and seconded by another. Should a Member nominated for any office, die or withdraw before the day of election, and the remaining nominations not be sufficient to fill the vacancies, a supplementary nomination shall be made by the Incorporation at or prior to the election.

(2) The Clerk shall send along with the notice calling the Meeting for the election, a printed list of the candidates nominated for the several offices, stating the number of vacancies.

(3) The election shall take place on the first Friday after the 15th day of September annually.

(4) Before proceeding with the election, the qualified roll as made up at the previous Lammas Court Meeting shall be adjusted by adding thereto (*a*) the names of any Members who may then pay to the Collector such quarters accounts and others as may be due by them, and (*b*) the names of any new Members who have been admitted for a year and day, but whose names are not yet on the qualified roll by reason of their not having been admitted a year and a day, as at the immediately preceding Lammas Court. The Meeting shall thereafter appoint two Tellers to enumerate the votes. It shall be the duty of the Tellers to take possession of the Ballot Box and sum up the votes, and report the result to the Chairman, who shall thereupon declare the election or elections made.

(5) On the day of election the officiating Clerk shall deliver to each qualified elector present at the Meeting a list containing the names of the Candidates for the several offices, such list being divided in compartments by perforated lines, so that the part containing the names for each office may be separated and used as voting papers.

(6) In the case of those offices the number of nominations for which shall not exceed the vacancies to be supplied, it shall not be necessary to take a vote, but the Member or Members nominated shall on the election day be declared duly elected.

(7) The vote shall be taken and the elections made and declared in the following order, viz:—

(*a*) For the office of Deacon.

(*b*) For the office of Collector.

(*c*) The late Deacon and late Collector shall then be declared Members of the Master-Court, and also Key-Keepers for the ensuing year *ex officiis*.

(*d*) For Four Members of the Master-Court, with the addition of such number of Members as may be necessary to supply any vacancy or vacancies which may have occurred by death, resignation, or otherwise.

(*e*) For Trades House Representatives.

(*f*) For Representative in the Building Committee of the Trades House.

(*g*) For Delegate in the management of the Gorbals Lands.

(8) That portion of the perforated card referring to the office to be voted on, and containing the names of the Candidates therefor, shall be separated from the remaining portion of the card, and after the voter has placed a **X** opposite to the name of the Candidate or Candidates for whom he votes, he shall deposit the same in the Ballot Box.

(9) In the election for the offices of Deacon and Collector, it shall be necessary to have a majority of the Members present and voting to secure an election, but for the other offices the Candidate or Candidates receiving the highest number of votes shall be deemed elected.

(10) The Trade shall also have power from time to time to appoint Honorary Life Members of the Master-Court, with all the powers of ordinary Members; but the persons so elected must have previously held office in the Master-Court, and shall not exceed three in office at any one time.

(11) Should a vacancy occur during the year in any office, the same shall be filled up by the Master-Court, at a Meeting called for the purpose so soon after the occurrence of such vacancy as may be practicable. The Member so elected to such vacancy shall hold office only until the end of the year then current, but he shall be eligible for re-election by the Incorporation.

VI.—COLLECTOR TO FIND SECURITY.

The Collector shall find security for the faithful discharge of his duties to the extent of £100. No disbursements shall be made by the Collector, except to pensioners on the roll, without the authority and sanction of the Master-Court.

VII.—THE ELECTION OF CLERK AND OFFICER, AND THEIR RESPECTIVE DUTIES.

Besides the Deacon, Collector, and Masters, there shall be a Clerk, being a Member of the Faculty of Procurators, and, if thought advisable, an Officer to the Trade. The Clerk, and also the Officer, if it should be resolved to appoint an Officer, shall be chosen annually by the Members at the Hallowday Court Meeting. It will be the duty of the Clerk to issue circulars by post calling (and to attend) all the meetings, and give professional advice; to take and keep regular minutes of the business transacted at meetings of the Trade and Master-Court, and prepare any bond which may be required from the Collector. The duty of the Officer, if appointed, will be to attend all meetings of the Incorporation and Master-Court, and to carry the Incorporation Box, Books, and Papers to and from the places of meetings, and to keep the door of the places of meeting, and

to open and shut it for the entrance and retirement of the Members, and to perform any other duties required of him by the Deacon.

VIII.—SALARIES TO CLERK AND OFFICER.

The Clerk and Officer, besides the fees payable at the entry of Members, shall each be allowed such a salary as may be fixed by the Incorporation from time to time.

IX.—QUARTERLY AND OTHER MEETINGS.

Besides the Meeting for the Election of the Deacon, Collector, and Masters, there shall, as heretofore; be Four Quarterly Meetings Annually—one in the first week of November, to be called the Hallowday Court; another in the first week of February, to be called the Candlemas Court; a third in the first week of May, to be called the Whitsunday Court; and the fourth in the first or second week of August, as may be found most convenient, to be called the Lammas Court. The Deacon shall have it in his power to call any meetings he may think proper; and he shall be obliged to call other meetings of the Incorporation, on being required to do so by any eight qualified Members, on any business lawfully connected with the Incorporation which shall be specified in the requisition, and that within six days after receiving such requisition, to be held within ten days thereafter. The Members of the Incorporation within the United Kingdom, and whose addresses are known, and of the Master-Court, shall be warned to the several Meetings of the Trade, whether called on requisition or not, and also the Master-Court respectively, by circulars written or printed, or printed and written where blanks occur in the printing—posted by the Clerk at least twenty-four hours before each meeting, which shall be verified by him at the commencement of each meeting. In the absence of the Deacon, the Deacon last in office present shall take the chair; and failing a former Deacon being present, the chair shall be taken by the senior Member of the Master-Court present. The Chairman, both at meetings of the Incorporation and of the Master Court, shall have a deliberative vote, and also a casting vote in cases of equality.

Farther, no person shall be admissible as a Member who does not produce evidence of his being a Trades or Merchants Burgess or Guild Brother of the City of Glasgow, or that he had paid Two Guineas of Entry Money to the Trades House. It shall not be competent to admit any person as a Member at the far-hand, unless his application shall have endorsed thereon a certificate subscribed by two Members of the Incorporation to the effect that the applicant is in their opinion eligible, and all applications for admission as Members at the far-hand shall be

XIV.—POWER TO BORROW.

In the event of the Incorporation purchasing any lands or other heritable property, and requiring funds to pay the price or part thereof, the Incorporation shall be entitled to borrow such sum or sums of money on the security of such lands or other heritable property so purchased, or of the funds and property of the Incorporation generally, as may be authorised by a General Meeting of the Incorporation; and the Deacon and Collector for the time being (who according to use and wont grant all deeds and obligations by the Incorporation) shall have power to grant bonds and dispositions in security containing all usual and necessary clauses, and any other deed or deeds necessary to make the security or securities effectual to the lender or lenders. It is specially provided that the lender or lenders shall have no concern with the application of the sum or sums to be borrowed, but shall be sufficiently exonered and discharged of the same by the receipt of the Deacon and Collector for the time being on behalf of the Incorporation.

XV.—NOT LAWFUL TO DIVIDE FUNDS, OR ENCROACH ON CAPITAL.

It shall not be lawful for the Incorporation to divide or distribute the Incorporation Funds, or to encroach permanently upon the present Capital.

The Collector shall not retain more of the funds of the Incorporation in his hands than shall, from time to time, be fixed by the Master-Court of the Incorporation; and all sums beyond that amount, not otherwise invested, shall be deposited in such Chartered or Joint-Stock Bank in Glasgow as the Master-Court shall fix, in the name of the Deacon and Collector, and their successors, for behoof of the In corporation.

XVIII.—ANNUAL ACCOUNT TO BE MADE UP BY COLLECTOR.

The Collector shall annually, as at the 31st day of August in each year, make up an account of his intromissions with the funds of the Incorporation, showing the revenue and expenditure of the Incorporation for the preceding year, which shall be accompanied by a stock account, showing the whole funds and property belonging to the Trade, and debts due to and by it. That Account, after having been duly audited along with the vouchers thereof, shall be submitted to the examination of the Master-Court at a Meeting called for the purpose; and shall, along with their report thereon, be laid upon the table, and read at the General Meeting of the Incorporation for Choosing the Deacon and other Office-Bearers for the ensuing year.

XIX.—AUDITOR.

In each year the Master-Court of the Incorporation shall appoint an Auditor who shall be a Chartered Accountant and who may or may not be a Member of the Incorporation who shall audit the Collector's Accounts for the current year. XX.—MASTER-COURT TO HAVE THE PRIVILEGE TO RECOMMEND PENSIONERS ON THE FUNDS OF THE TRADES HOUSE.

As heretofore the Master-Court shall have the privilege of recommending one or more persons as pensioners on the funds of the Trades House, according to the enactments made or to be made by the Trades House to that effect; and in such recommendation the Master-Court shall certify that the person recommended is a Trades Burgess, or has paid the Entry-Money of Two Guineas, and is a

The applications must be lodged with the Clerk, who will submit them to the next Quarterly Meeting, when two Members of the Incorporation will be appointed to enquire and report upon the case, and the application will be disposed of at the following Quarterly Meeting, without prejudice to temporary aid being given in the meantime. No person shall be entitled to demand enrolment or pecuniary aid of any kind, and the pension shall be payable during the will and pleasure of the Incorporation or Master-Court, and shall be an alimentary provision not liable to be affected by their deeds or attached for their debts.

XXII.—APPLICATION FOR ADMISSION TO INFIRMARIES, Etc.

Applications for admission to the Royal, Western, and Victoria Infirmaries and any other Institutions to which the Incorporation may subscribe, shall be made to the Deacon, who is authorised to grant orders of admission to the extent of the patronage enjoyed by the Incorporation.

Note.—At the Hallowday Court Meeting of the Incorporation, held on 3rd November, 1910, ALEXANDER FRANCIS YOUNG, B.L., was elected Assistant and Successor to George Young.

MEMORANDUM by the Clerk to The Incorporation of Masons of Glasgow for the information of the Master-Court in reference to the position of Mrs. WADDELL'S MORTIFICATION.

MRS. WADDELL, of Stonefield, who died on 18th June, 1829, and whose maiden name was Elizabeth M'Farlane, by her Trust Deed of Settlement, dated 12th, and recorded in the General Register at Edinburgh, 29th May, 1818, *inter alia*, directed her Trustees therein-named as follows, viz. :—

"And I also appoint my said Trustees at the first term of Whitsunday or "Martinmas occurring six months after my decease, *to lend out and secure the "sum of Four Hundred Pounds sterling, the interest of which I appoint to be paid "to four old journeymen masons, belonging to the City or Suburbs of Glasgow, of "sober and honest character, share and share alike, the name of Waddell caeteris "paribus to be preferred: And, also, to lend out and secure other Four Hundred "Pounds sterling, the interest of which I appoint to be paid to four old women of "decent character in said City or Suburbs, share and share alike, the name of Mac-"farlane caeteris paribus to be preferred.* These two sums of Four Hundred Pounds "sterling each I appoint to be under the management of my said Trustees, and "the survivors or survivor of them during their lifetime, to whom I commit the "nomination of the said old men and women, who are to enjoy the benefit of the "said liferent, and after their decease I appoint the said sums to be paid over to "the Deacon and Master-Court of the Incorporation of Masons in Glasgow, to be "kept separate from their other funds, and the interest of the same I appoint the "said Deacon and Master-Court to apply in manner before-mentioned, but the "said Deacon and Master-Court shall allow the old men and women whom the "said Trustees have nominated to the benefit of the same during their lifetime, "to enjoy the liferent of the same."

The Rev. Dr. Maclean, late minister of Gorbals, the last surviving Trustee of Mrs. Waddell of Stonefield, having died in 1833, the two sums mortified, less £40 of legacy duty on each, leaving a balance of £720 sterling in all, were transferred to the Master-Court. The investments on which the two sums were placed were varied from time to time, and the following state shews the present position of the fund, viz. :—

Amount lent to William Shiels and others, on the security of property in Rutherglen, conform to Bond and Disposition, in Security, dated 11th November, 1833, ...	£360	0	0			
Less paid up to account, in two sums, as undernoted,	155	12	6			
				£204	7	6
Amount lent to the Incorporation in May, 1844, being proceeds of Bond and Disposition, in Security, by Mr. Robert Watson, farmer, Mearns, ...	£360	0	0			
Amount lent to Incorporation on 22nd January, 1847, being sum received to account of Shiels' Bond,	60	0	0			
Amount lent to Incorporation on 15th May, 1864, being further sum received to account of Shiels' Bond,	95	12	6			
				515	12	6
				£720	0	0

On 7th May, 1863, the then Clerk to the Incorporation reported to the Master-Court that the interest received had been duly paid from time to time to the Pensioners appointed by the Master-Court and suggested that the Pensions might be augmented by a small amount by the Incorporation agreeing after Whitsunday, 1863, to pay interest on the sum in their hands, at four and one-half per cent. in place of four per cent., without deducting Income Tax. The Master-Court resolved as follows:—"That the Pensions to the recipients of the bequest shall be "raised to two Pounds sterling" (*i.e.* £2 each half year, or £4 a year), "it being "agreed on behalf of the Incorporation that the interest, to be in future paid by "them on the sum in their hands, shall be at the rate of four-and-a-half per cent. "without deducting Income Tax, a provision to the like effect, as to the Income "Tax, being also made with Shiels and others of Rutherglen."

Interest at four and one-half per cent. on £720, the total bequest amounts to £32 8s., while Annual Pensions of £4 each to four men and four women give total payments of £32.

It does not appear that Shiels and others agreed to the stipulation that they should pay four-and-a-half per cent. without deducting Income Tax, but from and after Whitsunday, 1864 (at which term their Bond was further reduced by receipt of the last payment to account), interest at *five per cent.*, less Income Tax, has been received on the balance of Shiels and others Bond. Since Whitsunday, 1864, the Incorporation has paid as interest, on the sum of £515 12s. 6d. belonging to the Mortification, the difference between the nett interest received from Shiels and others, and the total annual Pensions amounting to £32, and in this way the interest paid by the Incorporation is less than four-and-a-half per cent., and in five years was rather under four-and-a-quarter per cent. Four-and-a-half per cent. on the sum on hand is £23 4s., while the sum paid from 1865 to 1883, inclusive has varied from £22 1s. 2d. to £21 17s. 4d. The interest paid to Waddell's Mortification during the years referred to is, however, *equal to, and probably to some extent in excess of, the average* return from the several investments held by the Incorporation.

ALEX. YOUNG, CLERK.

GLASGOW, *December*, 1883.

NOTE.—The above-mentioned sum of £720 now stands invested on a Bond by the Trustees of the Clyde Navigation, bearing interest at 3½ per cent., and maturing at Martinmas, 1914.

GEO. YOUNG, CLERK.

GLASGOW, 31*st December*, 1913.

NOTE.—The above mentioned sum of £720 now stands invested in £777 15s. of 5 per cent. War Stock, 1929-47.

GEO. YOUNG, CLERK.
A. FRANCIS YOUNG, ASST. CLERK.

GLASGOW, 31*st December*, 1926.

MEMORANDUM by the Clerk to The Incorporation of Masons of Glasgow as to bequests to the Incorporation by the late Mr. James Cruikshank, of Qverdale, Bearsden, who became a Member on 19th August, 1841; was elected Deacon in September, 1859, and again in September, 1863; and was on 22nd September, 1882, appointed an Honorary Life-Member of the Master-Court, being the first appointment to that Office.

Mr. CRUIKSHANK, who died on 9th October, 1884, by his Trust Disposition and Settlement and Codicils, dated 7th October, 1874, 9th October, 1878, and 27th November, 1879, made two bequests to the Incorporation, viz. :—

First.—£1,000 to be invested at the discretion of the Master-Court and held in trust, and the annual revenue paid or applied to the relief of :—

(1) Four poor and deserving Journeymen Masons, not Members of the Incorporation, and unable to work from old age or ill-health;

(2) Two poor old men of any Craft or Calling; and

(3) Four poor old women in very needful circumstances and not receiving aid from any Corporation or Society.

All the recipients of aid from this bequest to be resident in Glasgow or neighbourhood, and should there not be sufficient male applicants to take up the interest, such portions may be given to female applicants.

The amount of this bequest being £1,000, less £100 of legacy duty, leaving £900, was paid to the Incorporation on 24th December, 1885, and invested with other funds on Bond and Disposition and Security over subjects in Parliamentary Road and Taylor Street, Glasgow.

The revenue thereof has since been applied as directed, as will be seen from the Annual Accounts.

Second.—£200, the free revenue whereof, is to be paid to the Committee (or Committees if more than one), for supplying poor children's free breakfast and dinner tables, but excluding Christmas and New Year's dinners, which are usually provided otherwise.

This amount, less £20 of legacy duty, leaving £180, was also paid to the Incorporation on 24th December, 1885, and placed in the same investment as the larger bequest above referred to.

The revenue has since annually been paid for the purposes of the bequest to the United Evangelistic Association of Glasgow on behalf of their Day Refuge. This is voted annually, and the destination of the fund may be altered at any time, in the event of the Master-Court and the Incorporation being of opinion that payment to any other Association or Committee would be more in accordance with the terms of the bequest.

GEO. YOUNG, CLERK.

GLASGOW, *June*, 1895.

MEMORANDUM by the Clerk to The Incorporation of Masons of Glasgow, as to bequest by the late Mr. William Waddell, who became a Member on 4th May, 1848, and was Deacon for the year 1858-59.

Mr. WADDELL, who died on 28th August, 1861, by his Trust Disposition and Deed of Settlement, dated 17th February, 1859, made a bequest, subject, however, to the liferent of his widow, of a share of the residue of his Estate to or for behoof of the Master-Court of the Incorporation of Masons in Glasgow and their successors in office, "in trust to apply the interest or annual proceeds thereof in a "pension or pensions in such proportions as the said Master-Court may think fit "to one or more journeymen masons who have wrought in Glasgow for any period, "not less than twenty years, to be selected and appointed by the said Master-"Court or their successors."

Mrs. WADDELL, the liferenter, died on 11th August, 1899, and on 28th September, 1900, the Trustees of the late Mr. Waddell paid over (along with certain accrued revenue) the sum of £327 3s., being the Capital sum falling under the bequest.

In virtue of a resolution of the Master-Court of date 29th October, 1900, there are at present paid out of the bequest two pensions of £4 per annum each, but this is subject to alteration should the Court see fit.

The Capital sum at present stands invested on loan to the Corporation of the City of Glasgow at three per cent. interest for the period to Martinmas, 1905.

GEO. YOUNG, CLERK.

GLASGOW, 31*st December,* 1903.

NOTE.—The above-mentioned sum of £327 3s. now stands invested in a Bond by the Trustees of the Clyde Navigation, bearing interest at 3½ per cent., and maturing at Martinmas, 1915.

GEO. YOUNG, CLERK.

GLASGOW, 31*st December,* 1913.

NOTE.—The above-mentioned sum of £327 3s. now stands invested in £355 8s. 4d. of 5 per cent. War Stock, 1929-47. In October, 1922 the Pension was increased to £8 per annum, and in March, 1923 the number of Pensioners was temporarily increased to three—there being a considerable surplus of Revenue on hand.

GEO. YOUNG, CLERK.
A. FRANCIS YOUNG, ASST. CLERK.
