Deacon Convener Dallas in his usual delightful way presented the Angling Trophy, a Silver Cigar Box an exact reproduction reduced in size of the Deacon Convener's Charter Chest, a copy of which is already in the possession of His Majesty King George V in silver gilt and the Princes of Wales in solid silver, the only difference being that of the Royal Arms there has been fixed on top of the casket the miniature of a salmon.

In the absence of Collector Campbell (Trades House) who was abroad, Late Collector John Train thanked the Deacon Convener for his handsome gift and proposed his health which was received with acclamation.

7th August 1928

The second competition took place on Loch Leven on Tuesday 7th August 1928, 9a.m. till 5p.m. Unfortunately the weather was on its worse behaviour, very wet with East wind up to 12 noon. Thereafter the wind changed to a gale from the South West which made fishing almost impossible; a number of the boats gave up before finishing time, some had to land on the shore and competitors had to walk to the pier. Considering the conditions, the results were surprising. 62 members of the various Incorporations took part, 90 trout were caught weighing 69 lbs 12 oz.

Boatmen 5 prizes were given. 1st 20/-, 2nd 15/-, 3rd 10/-, 4th 7/6d, 5th 5/- = £2 17/6d.

Before the competition started the Committee decided that where only one competitor was in a boat no deduction was to be made from his weight as in the National Rules.

The 2nd and 4th prize winners were in single boats. The reason for this was that Mr K McIntosh intimated by letter on the morning of the Competition that he would be late in arriving, which meant that his partner would have to await his arrival, having a spare boat, the Committee decided to use it in the manner done.

Prizes 1st Trades House Medal and Trophy
 2nd Flask
 3rd Fishing net

28th May 1948

The sixteenth Competition was held on Loch Leven on above date. Owing to the extreme shortage of boatmen it was only possible to accept one entry from each Craft. 14 Competitors from various Crafts, including Deacon Convener Douglas Macnaughton, took part.

Weather conditions varied throughout the day. In the morning there was only a light breeze from the East and around lunchtime this died away altogether. In the afternoon a thunderstorm came up from the South and after heavy rain and hail the wind came away very strong and the hail and the wind finally came away very strong from the West. Some boats found difficulty on the row home.

Considering the conditions the catch was not unsatisfactory. 44 fish weighing 36lb 4oz. were caught and not one competitor came in blank. This was decided improvement on the previous year's catch.

Mr William Martin (Fleshers) was 1st with 6 fish weighing 5lb 13oz. Mr George Lang (Cordiners) was 2nd with 5 fish weighing

4lb 6 oz., and Provost Andrew Buchanan (Barbers) was 3rd with 4 fish, 3lb 10oz.

Altogether £367 17/6d has now been donated by Anglers to the Commonweal Fund.

22nd March 1949

The sixteenth Annual Meeting was held in the Trades House, Glassford Street on the above date.

Present: Chairman, Provost Andrew Buchanan (Bakers), A B Stewart Young (Hammermen), David Buchanan (Tailors), William K Livingstone (Wrights), J Wilson Paterson (Coopers), Roy Wallace (Fleshers), J Taylor Thomson (Masons) and George Lang (Cordiners).

The minutes of the previous meeting and of the Annual Competition were read and approved.

Apologies for absence were intimated from Mr Alan S Dixon (Weavers) and Jas. Murray (Dyers).

The Treasurer submitted accounts and receipts which had been duly audited and signed.

Balance on hand £7 12/7d. This was approved.

The Secretary then read the correspondence regarding the Annual Competition on Loch Leven provisionally fixed for Friday 27th May. The shortage of boatmen was still expected and under these circumstances the Secretary was instructed to write the Loch Leven Fisheries pointing out that unless at least eight boats were made available, we would be unable to hold the Competition.

The office bearers for the present season were then elected. On the proposal of R Wallace (Fleshers) seconded by Wm. K Livingstone (Wrights) Provost Andrew

Buchanan was re-elected Chairman. Sub-Committee – Geo. J Mason (Skinners) and J Taylor Thomson (Masons) elected in place of Geo. Lang who retired owing to ill health. Mr Lang was cordially thanked for his help throughout his years. Honorary Secretary and Treasurer D Buchanan (Tailors)

13th May 1949

The seventeenth Competition was held on Loch Leven, Kinross, on the above date. The absence of a definite guarantee to provide even the bare minimum of eight boats necessitated the alteration from the last Friday in May, the usual date, to the above. Fourteen competitors from various Crafts, including Collector Allan S Dixon, took part.

The weather was bright and sunny all day while a strong westerly wind kept most boats to the shelter in the vicinity of Factor's Pier. Under these circumstances the fishing conditions were difficult and the disappointing results speak for themselves. The total catch was a total weight of 8lb 12oz. Mr Wm. G Fyfe (Skinners) was 1st with 2 fish weighing 1lb 8oz., while 2nd equal were Wm. Gillespie (Coopers) and Mr Jas. Riddell (Dyers) each with one fish weighing 1lb 5oz.

Two prizes were given the boatmen for the best boat.

The customary Dinner was held in the Green Hotal. Mr Andrew Buchanan (Bakers), presided. The toast of the King was proposed by the Chairman and duly acknowledged. The Secretary then gave out the results for the day and the Chairman proposed the toast, "successful competitors coupled with the name of Mr Wm. G Fyfe".

Mr Fyfe replied in appropriate manner whereupon Collector Allan S Dixon presented the winner with the Trophy and, along with Messrs Gillespie and Riddell who were second equal, the prize money in lieu of Trades House medals and Craft Spoons. This money, along with other donations, was handed to the Secretary who was thus able to forward the sum of £11 5/- to the Commonweal Fund. Collector Dixon then went on to say how extremely sorry he was to hear of the death of our late Honorary Secretary and Treasurer Mr George Lang only two days previous. He pointed out that Mr Lang became the first Secretary when the Angling Trophy was instituted by Deacon Convener Dallas in 1927 and that he had acted with great acceptance in that capacity until two years ago when through indifferent health he resigned the office. Collector Dixon continued by saying "his quiet disposition, his sincerity and his kindness endeared him to all the members of the House, more particularly to those of us who were anglers and I am sure you will all join me this evening in an expression of the deep loss sustained by us through his passing"

The company then rose and stood in silence.

Convener Dallas gave the assembled company a few words of advice and wisdom in his usual racy manner and after a short discussion on various ways of increasing the turn out, including the possibility of holding the Competition on a Saturday, it was finally decided to leave the matter in the Committee's hands.

The seventeenth Annual Meeting was held in the Trades House, Glassford Street on the above date. Mr David Buchanan (Tailors), Mr Robt. R Campbell (Maltmen), Collector Allan S Dixon (Weavers), Wm. G Fyfe (Skinners), Wm. K Livingstone (Wrights), J Wilson Paterson (Coopers), D Durward Clarkson (Gardeners).

Apologies for absence were intimated from Mr Andrew Buchanan (Bakers), Mr A B Stewart Young (Hammermen), Mr J Taylor Thomson (Masons), Mr Ian R Ferguson (Barbers) and Mr Jas. Murray (Dyers).

The Secretary made a personal apology for the Chairman Mr Andrew Buchanan (Bakers) and reported to the meeting that Mr Buchanan had decided to resign. The meeting heard this with regret and on the proposal of Mr Robt. R Campbell (Maltmen) seconded by Mr Wm. G Fyfe (Skinners), Mr Wm. K Livingstone was unanimously elected as the new Chairman.

The minutes of the previous Annual Meeting and of the Annual Competition were read and approved.

The Treasurer than submitted his accounts and receipts duly audited and signed. Balance in hand £7 17/7d was approved and passed.

The Secretary then reported that following correspondence with the Loch Leven Fisheries, boats had been provisionally reserved for Friday 2nd June. Twelve boats were promised with a possibility of making it fourteen – double the previous year's quota – but final total would not be known till early May when the regular boatmen first report. Mr J Wilson Paterson pointed out that this was normally the best week on Loch Leven and it was thereupon decided to confirm the booking and leave it to the Secretary to book the largest number of boats. No changes in charges had been intimated but in view of the very narrow margin on the £2 present charged to Competitors it was decided to leave the final decision to the Sub-Committee.

On proposal of Mr J Wilson Paterson ((Coopers), seconded by Collector Allan S Dixon (Weavers), Mr D Durward Clarkson (Gardeners) was elected on to the Sub-Committee in place of Mr Geo. Mason (Skinners) who had intimated his resignation.

The Secretary intimated that he agreed with Mr Robt. D Allison, Clerk to the Trades House, that the total donated by the Naglers since the start of the Competition now amounted to £318 12/6d.

Mr J Wilson Paterson (Coopers) suggested as Mr Geo. Lang, the Late Secretary and Treasurer had died since the last Annual Meeting and as no letter of condolence had yet been sent, the Secretary be instructed to write in appropriate terms to Mrs Lang and family. This was agreed.

The Chairman then concluded the business and referred to the high esteem in which the retiring Chairman, Mr Andrew Buchanan (Bakers) was held, and to the excellent work he had done in holding the club together during the difficult post war years.

2nd June 1950

The eighteenth Competition was held on Loch Leven, Kinross, on the above date. Extra boats were made available this year and allowed the Crafts to nominate two members each. Thirteen boats set off, all the Crafts being represented with the exception of the Cordiners.

Recent good baskets from the loch suggested brighter prospects than in recent years but unfortunately for fishing the day was brilliant and quite cloudless. A moderate S.E. wind tempered the heat but fishing conditions were poor. The total catch was 19 trout weighing twenty-two pounds fifteen ounces. Mr Tom N Forrest of the Wrights was 1st with 3 fish weighing 2lb 12oz and second equal were William Gillespie (Coopers) and Jas. Riddell (Dyers) with 2 fish weighing 2lb 8oz.

Twelve competitors came in blank. Boatmen's prizes were given to the two best boats and in lieu of Trades House Medals and Craft spoons, winners received money prizes.

The usual Dinner was later held at the Green Hotel, Mr Wm. K Livingstone being in the Chair. The Royal Toast was proposed by the Chairman and duly acknowledged in customary fashion.

The Chairman then rose and, expressing the thoughts of those present, he said the City of Glasgow, The Trades House and last but not least the Anglers of various Crafts had suffered an irreparable and personal loss in the death of Deacon Convener John Dallas. The Anglers had always been close to his thoughts and it was he who presented the beautiful silver casket for annual competition among the various Crafts. Although Deacon Convener Dallas had not fished with us for some years, he always made a point of attending the Dinner and allowing us to enjoy his pauky sense of humour and great personality. The company then rose and stood in silence.

The Secretary then read out the results for the day and the Chairman proposed the toast "successful competitors coupled with the name of Mr Tom N Forrest". Mr Forrest replied in a suitably humorous manner and Late Convener Macnaughton thereupon presented the winners with the Trophy and cash prizes to the winner and runners-up. These cash prizes were returned to the Secretary as donations to the Commonweal Fund and they were gratefully received. Late Convener Macnaughton then treated the company to a short, racy speech interspersed with words of wisdom.

The Secretary then announced that from donations withing the assembled company, including prize winners and cash prizes, the sum of thirty pounds five shillings had been donated to the Commonweal Fund making a grand total of £348 17/6d to date.

Colonel A D MacInnes Shaw then kindly handed the Secretary a cheque for £50 to be forwarded to the Commonweal Fund.

Collector of the House, Allan S Dixon acknowledged these gifts, congratulated the angling members and thanked them for their continued generosity; concluding by extending a hearty vote of thanks to Mr W K Livingstone, the Chairman and Mr D Buchanan the Secretary and Treasurer.

Thursday 19th April 1951

The eighteenth Annual Meeting was held in the Trades House, Glassford Street on the above date.

Present: Chairman Wm. K Livingstone (Wrights), Andrew Buchanan (Bakers), John Naismith (Barbers), J Wilson Paterson (Coopers), Jas. Murray (Dyers), A B Stewart Young (Hammermen) and David Buchanan (Tailors) as Secretary and Treasurer.

Apologies were intimated from Messrs R B Thomson (Weavers), Wm. G Fyfe (Skinners), Robt. Campbell (Maltmen) and Frank Kinnaid (Bakers).

The Secretary then read the minutes of the previous Annual Meeting and of the Annual Competition. These were duly approved.

The Treasurer then submitted his audited accounts. The balance in hand being £18 0s 1d. These were approved and passed.

A discussion on the Annual Competition at Loch Leven then followed. The Secretary referred to the correspondence he had with the Estate Office, Loch Leven. Prices had slightly increased (Boats all inc.) up from £2 10/- to £2 14/-. Boatmen were still in short supply and most uncertain. The Trades House, however, were promised 15 boats for Friday 1st June. This would allow each Craft

to send two representatives and it was finally agreed to accept and confirm the booking. Mr Andrew Buchanan (Bakers) asked if it might not be possible to get more boats on a Saturday and the Secretary was asked to enquire and report at the Dinner after the Competition.

The Treasurer concluded the discussion by asking if it would be in order to keep the charge at the same price, in spite of the increased costs, as money on hand was available. It was agreed to leave the final charge to the Treasurer.

It was decided to make no changes in office bearers.

There being no further business Mr J Wilson Paterson proposed votes of thanks to the Chairman and the Secretary and Treasurer.

1st June 1951

The nineteenth Annual Competition was held on Loch Leven, Kinross, on the above date. Fifteen boats were available and used allowing each Craft to send two representatives. All Crafts were represented with the exception of the Fleshers.

Once again, we struck an unlucky day for fishing. The day was brilliant and cloudless and to make matters worse the loch remained as calm as a millpond till lunchtime. Thereafter it came away strong from the East. There was scarcely a sign of a natural rise and many competitors never saw a fish all day.

Total catch for 29 rods was one fish, one pound six ounces. The unlucky fish was caught by John Naismith (Barbers) who thereby won the 1st prize and the John Dallas Trophy.

The usual Dinner was held in the Green Hotel. As Mr Livingstone (Wrights) was absent, having been called south on business, Mr Durward Clarkson (Gardeners) member of the Committee took his place as Chairman. At the end of the dinner the Loyal Toast was proposed by the Chairman.

Thursday 17th April 1951

The nineteenth Annual Meeting was held in the Trades House, Glassford Street on the above date.

Present: Chairman W K Livingston (Wrights)
Messrs A B Stewart Young (Hammermen)
D Buchanan (Tailors)
Allan S Dixon (Weavers)
Robt W Lawson (Bakers)
Wm. Gillespie (Coopers)
Mr Paterson (Masons)
D Durward Clarkson (Gardeners)
John Naismith (Barbers)

Apologies were intimated from Messrs J Gordon McDonald (Cordiners)
Wm G Fyfe (Skinners) and
Robt Campbell (Maltmen).

The Secretary read the minutes of the last meeting and of the Annual Competition and Dinner. These were approved.

The Treasurer then submitted his audited accounts and reported that £19 7/7d was carried forward. The accounts were approved and passed.

Arising from the suggestion put forward that a Saturday be tried for the Competition, thus allowing us more boats and a larger representation from each Craft, the Secretary reported on his correspondence with Loch Leven. In brief the Trades House were given, provisionally, Saturday 12th July and up to twenty five boats were promised. The Secretary mentioned he had suggested changing the time of start and finish from 9a.m till 5p.m to 10.30a.m. till 6.30p.m. Loch Leven Fisheries agreed. It was thought that this might help the turnout by allowing members to travel through the morning of the Competition. After further discussion it appeared to be the general opinion of the meeting to favour the July date. Mr Wm. Gillespie (Coopers) proposed the motion and Mr Robt. W Lawson (Bakers) seconded. The Secretary was left to make the final arrangements.

The question of whether members could choose their angling companions or whether choice should be by ballot was discussed and it was finally agreed not to be too rigid and to allow those wanting to fish together to do so and for the Secretary to make the necessary details.

With 25 boats available it was decided to allow each Craft to nominate four anglers and as some Crafts find difficulty in raising even two anglers reserves to be asked for and if required these will ballot for places available.

It was decided to make no changes in the Office Bearers and the meeting closed with a vote of thanks to the Chairman.

12th July 1952

The twentieth Annual Competition was held on Loch Levan, Kinross on the above date. This date being a Saturday more boats were made available to us – 25 were allocated – but entries were only sufficient to use 20 boats. 42 anglers took part and all the Crafts were represented. Ex Convener D Macnaughton, a late entry, fished three in a boat along with Deacon Convener Allan S Dixon and Collector of the House W Sloan Smith.

It was quite a reasonable fishing day though perhaps rather on the cold side. The wind blew fairly strong from the west all day. It was dull but dry. The fishing was patchy and many boats were blank. It was perhaps significant that both the winner and runner-up came from the same boat fishing in the tail of the wind at the far east end of the Loch. Actually, the second heaviest boat also fished the same area but were unfortunately disqualified being ten minutes late. The total catch was 54 trout weighing 6-lb 8oz., a considerable improvement on the results of recent years. The winner was ex Deacon R B Thomson (Weavers) with 8 trout 10lb 11oz., and second was Wm. Buchanan (Tailors) with 6 trout 6lb 5oz., and third John D Barbour (Gardeners) with 3 trout 4lbs.

The Dinner afterwards was held in the Green Hotel, Wm. Livingstone (Wrights) in the Chair. The Loyal Toast “Her Majesty the Queen” was given by the Chair, and duly acknowledged.

The Secretary then rose and read out the results for the day and the Deacon Convener kindly presented the prize money to the winners. The Dallas Trophy was not available the Secretary reporting that due to a misunderstanding, the Trophy was lying at the jewellers. However, the Deacon Convener promised to present it at the next meeting of the House.

Collector W Sloan Smith being a novice at fishing very kindly consented to propose the toast of successful competitors and this he did most [] in a short and witty speech. Ex Deacon Thomson and Wm. Buchanan replied and at the same time handed back their prize money as a donation to whatever fund the Deacon Convener might suggest.

The Chairman, Wm. Livingston (Wrights) then rose and on behalf of the assembled company welcomed Deacon Convener Allan S Dixon, Collector of the House W Sloan Smith and Ex Deacon Convener Macnaughton and said how pleased we were to have them with us. The Chairman then mentioned the sad loss to the Trades House on the recent death of Ex Deacon Andrew Buchanan who had represented the Bakers on the Committee since the inception of the outing in 1927. The company rose and stood in silence as a token of respect. The Toast of the Trades House was proposed by the Chairman and duly acknowledged by the Deacon Convener who kindly spoke a few words to the company. He said he was very glad to see the largest turnout since the war and also the rather better results for the day's fishing. In acknowledging the donations of prize money from winners he suggested as this was the 25th anniversary since the Late Deacon Convener Dallas had presented the trophy and also as D.C. Dallas was one of the instigators of the Commonweal Fund, we might this year, send our donations to this Fund. The Secretary in noting this mentioned that a further £18 had been very kindly handed to him from members present. The Deacon Convener in conclusion then said it was his intention to present the Trophy to Ex Deacon R B Thomson (Weavers) at the next meeting of the House.

Ex Deacon Convener D Macnaughton was kind enough to rise and say a few words finishing off by complementing the Chairman, Committee and Secretary on the arrangements made for the day which had been enjoyed by all. This concluded the formal part of the dinner.

16th April 1953

The twentieth Annual Meeting was held in the Trades Hall on the above date.

Present: Chairman Wm. K Livingstone (Wrights), Messrs D Buchanan (Tailors), Robert R Campbell (Maltmen), Allan S Dixon (Weavers), Robert W Lawson (Bakers), Wm. G Fyfe (Skinners), Wm. Gillespie (Coopers), Robert Taylor (Masons), D Durward Clarkson (Gardeners), John Naismith (Barbers) and Jas. Murray (Dyers).

Apologies were intimated from Mr Stuart Young (Hammermen) and Mr Roy Wallace (Fleshers).

The Secretary read the minutes from the last meeting and the minutes of last year's Annual Competition and Dinner. These were approved by the meeting and duly signed by the Chairman.

The Treasurer then submitted his accounts and reported that they had been audited and signed. He reported that £19 7/7d was brought forward and after all income and expenditure had been accounted for the sum of £21 17/1d was left on hand to be carried forward. These accounts were approved, and the Treasurer complimented on their healthy state.

The Chairman then intimated that Mr Buchanan had provisionally booked Loch Leven for Saturday 11th July and that twenty boats were available. After some discussion this date was agreed to but that for this year the Competition by started at 10a.m. finishing at 6p.m. Boatmen's gratuity was fixed at 5/- per boatman. It was agreed that rather than present cash prizes and as the cost of the Trades House medals was at present prohibitive three prizes totalling about 5/6d be bought by the Secretary. This was proposed by Wm. Gillespie. The next question was in regards to the usual contributions made by the Anglers to the Commonweal Fund or House Fund. Some members were of the opinion a contribution should be made from each angler from his entry money rather than the voluntary contributions collected at the Dinner. After a rather long discussion the general census of opinion was some members would always contribute from their own pockets and it was therefore agreed to leave it voluntary. The arrangements for the Annual Dinner at the Green Hotel was left to the Secretary and the entry money including dinner, was left at £2 10/- per head.

Wm. K Livingstone, having been Chairman for the last three years suggested the honours should go around and therefore he would resign. On the proposal of Mr Livingstone, seconded by Deacon Convener Dixon, Ex Deacon Jas. Murray(Dyers) was unanimously elected Chairman. Mr Murray then took his place in the Chair, complimented Mr Livingstone on his god work during his term of office and said it would be his endeavour to uphold the high traditions and work done by the previous Chairman. In the place of Late Deacon J Taylor Thomson, Ex Deacon Robt. W Lawson was unanimously elected to on to the Sub-Committee. This finished the business for the day.

11th July 1953

The twenty first Annual Competition was held on Loch Leven, Kinross on the above date. Thirty-four competitors took part.

Fishing conditions appeared reasonably enough and recent excellent catches gave promise of a good day. It was not to be though. The wind blew steadily between S. and S.E. and after early brightness dulled over in the afternoon. The total catch amounted to 32 trout weighing 38lb 8oz. The winner was John W Naismith (Barbers) with seven trout weighing 9lb 7oz. Runners up was Ex Deacon George P Ross (Gardeners) with four trout weighing 3lb 14oz. and third was Jas. Riddell with three trout 3lbs. The winner caught his fish on a fly called Erins Pride in the bay east of St. Serfs.

The usual Dinner was held in the Green Hotel and very excellent it proved to be. The Loyal Toast, Her Majesty the Queen was proposed by the Chairman, Ex Deacon Jas Murray (Dyers).

The Honorary Secretary then rose and gave the results of the Competition and Deacon Convener Allan S Dixon kindly presented the prize winners with the "John Dallas Trophy" (to the winner) and 4 prizes to the other successful competitors. Mr John W Naismith replied most suitably to a very witty and exhilarating speech given by the Collector of the House James Stirrat.

Ex Deacon Jas. Murray, in the Chair, then proposed the toast of "The Auld Hoose" and in doing so remarked how nice it was to see such a good turn out from the Platform. He also briefly mentioned the generosity of the anglers at this outing and that over £460 had been donated to date to the Commonweal and House Funds.

Deacon Convener Allan S Dixon replied in his usual cheery after dinner manner and his speech was enjoyed both by the assembled company and other hotel residents who happened to be dining. At this time the "hat" was circulating among those present and on a count being taken the Honorary Secretary was able to announce a total collection of £31 and he went on to say that he estimated he should manage to forward to the House Funds at least £40.

At this stage Ex Convener Douglas Macnaughton rose and proposed a healthy vote of thanks to the Chairman and to the Honorary Secretary.

The twenty-first Annual Meeting was held in the Trades Hall on the above date.

Present: Chairman Ex Deacon James Murray (Dyers) and Messrs Robt. R Campbell (Maltmen), Robt. W Lawson (Bakers), Wm. G Fyfe (Skinners), Wm. Gillespie (Coopers), D Durward Clarkson (Gardeners) and D Buchanan (Tailors) as Secretary & Treasurer.

Apologies were intimated from Deacon Convener Allan S Dixon (Weavers) and Messrs A B Stewart Young (Hammermen), Robt. L Taylor (Masons) and John Naismith (Barbers).

The Secretary then read the minutes of last years meeting and also the minutes of covering last years Annual Competition. These were approved by the meeting and thereafter signed by the Chairman.

Mr David Buchanan, as Treasurer, then reported on the accounts which had been audited and signed. The sum of £21 17/1d was brought into the year's accounts and after all expenditure was accounted for there remained a balance on hand of £20 7/6d to be carried forward. He reported that donations from anglers present at the Dinner amounted to £31 and the sum of £40 had been forwarded to R D Allison to be placed to House Funds. The Treasurers accounts and report were approved by Ex Deacon R W Lawson, seconded by Ex Deacon Robt. R Campbell.

Ex Deacon D Buchanan then reported he had provisionally booked boats at Loch Leven for Saturday 10th July and charges were the same. Ex Deacon Jas. Murray proposed this date be confirmed. This was seconded by Ex Deacon Robt. R Campbell and duly approved by the meeting. After some little discussion it was agreed to leave the arranging to the Secretary; the time, charges etc., to remain as previous year, and each Craft to nominate three competitors and one reserve. It was also agreed that Mr Starks gratuity and boatmen's prizes remain as before. It was decided again to present actual prizes to the successful competitors and. If possible, to be suitably engraved. The Secretary was granted permission to spend around £6 on prizes.

The question of office bearers then arose and on the proposal of Ex Deacon Fyfe seconded by Mr Wm. Gillespie, it was unanimously agreed to re-elect the Committee En Bloc.

As there was no further business the meeting concluded when Ex Deacon Campbell proposed a hearty vote of thanks to the Chairman and the Secretary and Treasurer.

Saturday 11th July 1954

The twenty second Annual Competition was held on Loch Leven, Kinross, on the above date. Forty competitors took part.

Fishing conditions were again rather disappointing and we finished the day with exactly the same number of fish as in the previous year – thirty-two fish weighing thirty three pounds twelve ounces. Most of the fish were caught in the morning and conditions were desperately dour from lunch onwards. The winner was Mr Angus Macdougall (Wrights) with 5 fish – 5lb 8oz. Second Ex Deacon David Buchanan (Tailors), with four fish – 4lb 8oz and third Ex Visitor Jackson Miller (Maltmen) with 2 fish – 2lb 7oz.

The Dinner took place as usual, at the Green Hotel and the company was honoured by having Deacon Convener Allan S Dixon and Ex Collector of the House James Stirrat along with Ex Conveners Macnaughton and Duncan dining with them. That trout take no regard for personages was shown when news leaked through of only one fish from the Platform and Ex Conveners.

Ex Deacon Jas. Murray (Dyers) as Chairman proposed the Loyal Toast, Her Majesty the Queen. Thereafter the Honorary Secretary gave the results for the day and Deacon Convener Allan S Dixon kindly presented the John Dallas Trophy to the winner and prizes to the other successful competitors. Mr Angus Macdougall (Wrights) in replying mentioned he had, by winning, just completed a record week of fishing and how delighted he was to have managed to bring the Trophy to the Wrights for the fifth time.

Ex Deacon Murray proposed the toast “The Auld Hoose” and this was replied to by the Deacon Convener and the Collector of the House. Ex Deacon Convener Duncan and Ex Deacon Convener Macnaughton also kindly rose and said a few words which were much appreciated by the company present.

Thereafter the members present informally discussed the question of changing the annual date of the competition to June, and it was left to the Committee to see what could be arranged.

Mr Robt. L Taylor (Masons) suggested there might be a team competition with, say, the two best rods from each Craft to count. This was left to the Committee to deal with.

The evening finished with the singing of “Auld Lang Syne” and the Secretary reported that £40 had been kindly donated to the House Funds from the Collection taken at Dinner and that if his book keeping was correct this total might be made up to £50.

27th April 1955

The twenty second Annual Meeting was held on the above date in the Trades Hall, Glassford Street.

Present: Chairman Ex Deacon James Murray (Dyers), J A Service (Hammermen), Allan S Dixon (Weavers), Wm. G Fyfe (Skinners), Wm. Gillespie (Coopers), Douglas Macnaughton (Fleshers), John Naismith (Barbers) and Mr D Buchanan (Tailors) as Secretary and Treasurer.

Apologies were intimated from Messrs A B Stewart Young (Hammermen), Robert R Campbell (Maltmen), Robt. W Lawson (Bakers), Robt. L Taylor (Masons) and D Durward Clarkson (Gardeners).

The Secretary read the minutes of last year's Committee Meeting and a report on the Annual Competition held in July 1954. These were approved by the meeting and signed by the Chairman.

Mr Buchanan then reported on the accounts. A sum of £20 7/6d was brought into the start of the year and after all expenditure there remained a balance carried forward of £24 2/9d. The income came from the forty entries at £2 10/- each and contributions at the Dinner amounting to £40. The main items of expenditure were the Loch Leven Fisheries for 20 boats at £2 14/- and the Green Hotel for Dinners. The sum of £50 had been forwarded to Mr R D Allison as a contribution from the Anglers to the House Funds. The accounts and report were unanimously approved and duly signed by the Chairman.

Mr Buchanan then reported on his correspondence with Loch Leven regarding a change in date but he had to report that they found it quite impossible owing to the large size of our competition and the difficulty of sufficient boatmen on any other day but Saturdays, It was agreed to leave the date for this year at Saturday 9th July. Mr Buchanan reported the charges up from £2 14/- per boat to £3 but he estimated he could clear expenses still on a charge of £2 10/- per competitor. This was agreed to. The final arrangements and details for the outing were, it was decided, to be left to the Secretary.

Mr R L Taylor (Masons) suggested that there might be a team competition among the Crafts with, say, two rods to count. After some discussion it was decided to leave as before.

With the possibility of at least 25 boats being available it was agreed that each Craft be allowed to nominate four competitors and also reserves to fill vacancies. The Secretary was instructed to send out to conveners a preliminary notice to this effect and giving the date of the Competition.

Office Bearers: Ex Deacon Convener Douglas Macnaughton proposed no change, Late Deacon Convener Allan S Dixon seconded and the members present concurred.

There being no further business the meeting closed with a vote of thanks to the Chairman and to the Secretary and Treasurer.

Saturday 9th July 1955

The twenty third Annual Competition took place at Loch Leven, Kinross, on the above date, forty eight Competitors took part.

Unfortunately, we, once again, picked a poor day from the fishing point of view. The previous few days had been cloudless and though Saturday began with an east wind haar, it soon cleared with a steady breeze from the east. Conditions were really quite hopeless but nevertheless ten fish were caught with a total weight of eleven pounds two ounces.

The winner was Ex Deacon Robert Galbraith (Bakers), one fish, one pound nine ounces.

Second Ex Deacon Alex. Turnbull, 2 fish, 1lb 8oz.

Third Jas. Robertson (Fleshers), 1 fish, 1lb 6 oz.

The Dinner was held as usual at the Green Hotel, Jas Murray (Dyers), in the Chair and the Platform Party was well represented by Deacon Convener Jas. Stirrat (Skinners), Collector of the House John W Train (Masons) and Ex Convener Douglas Macnaughton (Fleshers).

The Chairman proposed the Loyal Toast, "Her Majesty". Thereafter the Honorary Secretary read out the results for the day and the Deacon Convener kindly presented the John Dallas Trophy and prizes to the winners.

The Chairman then proposed the toast of the Trades House of Glasgow and this was pleasantly and wittily replied to by the Deacon Convener.

Collector Train then kindly proposed the toast of "Successful Competitors" coupled with the name of Ex Deacon Robt. Galbraith, who replied and in doing so said how delighted he was to win for the Bakers for the first time since 1932 when H Bruce Jones was the winner.

Ex Convener Macnaughton concluded the speeches in thanking the Chairman, Secretary and Committee for all their good work and this was acknowledged by the assembled company.

During Dinner the usual "hat" was going round and on count it was found to total £36 and the Chairman informed the meeting that the money on hand £50 would probably be donated to the Trades House. Deacon Convener asked that this might be earmarked as a contribution to the fund for pensioners to celebrate the 350th anniversary and this was unanimously agreed upon.

The Bank certificate was then produced and the accounts approved by the meeting and duly signed by the Chairman.

The Secretary then reported on the arrangements for the Annual Competition on Loch Leven on Saturday 7th July. He reported the same charge as the previous year, £3 per boat and it was agreed the charge to members remain at £2 10/- per head, that each Craft nominate 3 competitors and 1 reserve and that boatmen prizes and gratuities continue at last years amounts. The Secretary was given instructions to spend around £7 on prizes.

The next business was the question of Office Bearers and after some discussion the Chairman, Ex Deacon Jas. Murray (Dyers) agreed to hold office for a further year. On the motion of Ex Deacon Robt. 14th March 1957

The twenty fourth Annual General Meeting was held on the above date in the Trades Hall, Glassford Street.

Present: Messrs D Durward Clarkson (Gardeners), M Russell White (Bakers), M Stewart Fraser (Cordiners), Robert R Campbell (Maltmen), Allan S Dixon (Weavers), William K Livingstone (Wrights), Robert L Taylor (Masons), John Naismith (Barers) and D Macnaughton (Fleshers).

Apologies were intimated from Messrs Jas. Murray and Wm. G Fyfe (Skinners).

In the absence of Ex Deacon Jas Murray, Ex Deacon D Durward Clarkson took the Chair.

The Secretary, Ex Deacon David Buchanan (Tailors) read the minutes of the Annual Meeting held in April 1956 and of the Annual Competition held on Loch Leven, Kinross, on Saturday 7th July 1956. These were approved and signed by the Acting Chairman.

The Secretary then reported on the accounts. He reported a balance of £22 5/3d brought forward from the previous year and, after all expenditure a sum of £20 13/9d remained to be carried forward. This was after donating £45 to the Commonweal Fund as suggested by Deacon Convener Stirrat at the Dinner. The Secretary reported an increase from 8/- 10/- per head for the Dinner at the Green Hotel, but added that otherwise the income and expenditure items were in line with previous years. On the Bank Certificate being exhibited the Accounts were unanimously passed and duly signed by the Acting Chairman.

The Secretary then reported on the arrangements made for the Annual Competition on Loch Leven. He reported the results of a circular letter to Committee members asking for their views on the choice of dates. The Competition had been given choice of Saturday in May or July. The resultant replies were all in favour of May. In consequence the competition for this year was reported as fixed for Saturday 4th May. Charges being at the increased rate of £3 5/- per boat.

After a short discussion it was agreed to keep the entry charge at £2 10/- per head. The Secretary was then instructed to spend the usual amount of around seven guineas for prizes and to arrange boatmen's prizes and various gratuities as in previous years.

Boatmen's prizes: 2 at £1 and 2 at 10/-
Gratuity to Pier master (Mr Stark): £1
Hotel Gratuities: £3

The usual circular to out for distribution and asking for three entries from each Craft with reserves nominated to fill possible vacancies.

The next business was the election of Office Bearers. The Secretary drew attention to the fact that Mr Jas. Murray (Dyers) had been the Chairman for the past four years, was at present abroad, but had intimated his desire to retire at this time. This was accepted and the Secretary was asked to write to Ex Deacon Murray thanking him for his kind services in past years. Ex Convener Macnaughton then proposed Ex Deacon D Dorward Clarkson as Chairman and this was immediately and unanimously agreed upon. Ex Visitor Robt. R Campbell proposed that Mr M

Russell White be re-elected to the Sub-Committee and that Ex Deacon Convener Macnaughton be co-opted in place of Ex Deacon Clarkson. This was approved by all present.

There being no further business the meeting closed with a vote of thanks to the Chairman and Secretary.

Saturday 4th May 1957

The twenty-fifth Annual Competition took place on Loch Leven, Kinross, on the above date.

Forty four anglers set out with great expectations that the change in date might change our luck. Unfortunately, it was not to be. Twenty anglers came in clean, but it was gratifying to see a newcomer to our entry and a novice angler, moreover, return home as the winner.

First: Mr Ronald D McNeill (Skinners), 8 fish 8lb 2oz.

Second: Ex Deacon Jas. Murray (Dyers), 4 fish 4lb 13oz.

Third: Angus MacDougall (Wrights), 4 fish 4lb 5oz.

Total catch fifty seven trout weighing fifty nine pounds eight ounces.

The usual Dinner was again held in the Green Hotel. Late Deacon D Drummond Clarkson was in the Chair.

The Loyal Toast was proposed by the Chairman and the Secretary read out the results. Deacon Convener John W Train kindly presented the winner with the "John Dallas Trophy" and prize and runners up and third man also received their prizes.

The Chairman then said a few appropriate words ending by giving the assembled company the toast "The Auld Hoose", coupled with the name of Deacon Convener Train.

Deacon Convener Train then replied with a very pleasant little speech and congratulated the anglers on their past generosity to various House Funds.

Collector of the House Andrew Lawson then kindly said a few words and gave the toast "Successful Competitors" coupled with the name of Mr Ronald D McNeill (Skinners). Mr McNeill replied in a very able fashion and the other prizewinners were also persuaded to say a few words.

A short informal discussion took place the main item being whether we should not fish for the trophy on a team basis with the Platform Party fishing as a team. It was left to the Committee to decide after the Incorporations had given their own views.

Ex Convener Douglas Macnaughton then kindly proposed a vote of thanks to the Chairman, Committee and the Secretary for all the work done in the past years. This concluded the proceedings but meanwhile a "hat" collection had been taking place and the Secretary announced the very handsome total of £35 10/- which would be forwarded to the Collector of the House.

The twenty fifth Annual Meeting was held on the above date in the Trades Hall, Glassford Street.

Present: Ex Visitor Robert R Campbell (Maltmen), Ex Convener Allan S Dixon (Weavers), Mr M R White (Bakers), Ex Deacon Robt. L Taylor (Masons), Ex Deacon D Campbell Brown (Dyers), Ex Deacon David Buchanan (Tailors) Secretary and Treasurer.

In absence of Ex Deacon D Durward Clarkson (Gardeners), Ex Convener Dixon took the Chair.

Apologies were intimated from Ex Deacon A B Stewart Young (Hammermen), Ex Deacon Wm. G Fyfe (Skinners), Ex Deacon D Durward Clarkson (Gardeners) and Mr Wm. Livingstone (Wrights).

The Secretary then read the minutes of the meeting held on 4th May 1957. These were agreed and signed by the Acting Chairman.

The Secretary then reported the Accounts, which had been audited and signed, the balance on hand being £10 1/6d. This was approved.

Annual Competition

The Secretary then reported he had been given the alternative of two dates in May and that after consulting the Chairman and Sub-Committee the later date – Saturday 17th May was accepted.

It was agreed to keep the start and finishing times at 10a.m. and 6p.m. and that the usual sums be spent on prizes and gratuities. Loch Leven had announced a further increase in charges, up from £3 5/- to £3 10/- per boat and as the Secretary indicated the usual charge per angler, namely £2 10/- inclusive of Dinner, would not now cover everything, the meeting decided to increase the charge to £2 15/- per head. Gratuity to boatmen 7/6d.

The Chairman then raised the question of the proposal that the Trophy be competed for as a team. The Secretary then read out correspondence he had had with Mr Allison on the subject. Mr Allison replied that our constitution and rules allowed such an alteration but required the approval of the House. After some considerable discussion the meeting decided to table the proposal and allow the Chairman to give the pro's and con's after the Dinner and to ask for a final decision then.

The Office Bearers were thereupon elected as before and there being no further business the meeting closed with a vote of thanks to the Acting Chairman.

Chairman: Ex Deacon Durward Clarkson
Committee: Ex Convener D Macnaughton
Mr M Russell White

Saturday 17th May 1958

The twenty sixth Annual Competition took place on Loch Leven, Kinross, on the above date.

All the Crafts were represented among the forty two rods and the outing was honoured by the presence of Deacon Convener John W Train, Late Convener Jas. Stirrat and Ex Convener Allan S Dixon and Douglas Macnaughton.

Conditions seemed reasonable enough with a dull overcast sky and steady wind from the south. It was rather cold however and later in the day blew up very strongly from the west. There was never a real rise of fish and many that did rise seemed to come short.

The total basket was 44 trout weighing 48lb 4oz.

First: W H McIntosh (Maltmen), 5 trout 5lb 5oz. (This being the first time the Maltmen had won the John Dallas Trophy).
Second: Wm. Faulds Martin (Fleshers), 3 trout 3lb 11oz.
Third: D Buchanan (Tailors), 3 trout 3lb 9oz.

Ex Deacon D Durward Clarkson was in the Chair at the informal dinner held later in the Green Hotel, Kinross.

The Chairman proposed the Loyal Toast and then asked the Secretary to read the results. This was done and the Chairman with a few well chosen words gave the toast "The Auld Hoose" coupled with the name of Deacon Convener John W Train. The Deacon Convener replied in an attractive and suitable manner and mentioned that he had probably caught the heaviest trout in the competition and as no prize was available he would be delighted to offer one and to leave to the Committee the form it should take. The assembled company approved wholeheartedly and the Chairman thanked the Deacon Convener for his kind generosity. The Deacon Convener then handed over the John Dallas Casket and other prizes and Mr McIntosh replied on behalf of all prize winners to the toast "Successful Competitors".

Ex Convener Douglas Macnaughton then rose and explained he had instructions to propose the toast which had just been replied to and in a pleasant and witty speech proceeded to the toast.

At this stage the Chairman reminded those present of the past generosity of anglers in the Trades House to its various funds. He hoped, he said, this would continue. A "hat" was then passed around.

The Chairman then led a discussion on the question raised at whether the competition remain as at present or to be changed to a team. It was quite obvious that the unanimous opinion was on no change.

6th April 1959

The twenty sixth Annual Meeting was held on the above date in the Trades Hall, Glassford Street.

In the Chair: Ex Convener Douglas Macnaughton (Fleshers)

Present: Mr M Russell White (Bakers) and Ex Convener Allan S Dixon (Weavers), Wm. K Livingstone (Wrights), Ex Deacon John C Paterson (Masons), Ex Deacon David Buchanan (Tailors) Secretary Treasurer.

Apologies were intimated from W H McIntosh (Maltmen) and Ex Deacon A B Stewart Young (Hammermen).

The Secretary then read the minutes of the Meeting held on 1st April 1958. These were agreed. Thereupon the Secretary reported on the Accounts which had been kindly audited by Ex Convener Allan S Dixon. He went on to say that "The Loch Leven charges had been raised by 5/- per boat to £3 10/-, the balance carried forward was still satisfactory at £9 6/9d and this after a donation of £40 to the Commonweal Fund. The Accounts unanimously approved.

The Secretary then confirmed that the Annual Competition would be held on Saturday 16th May 1959 and, as usual, on Loch Leven. He reported that once again, the Loch Leven charges had been raised. This time from £3 10/- per boat to £3 13/6d. The Secretary indicated he thought that last year's charge of £2 15/- per head should just cover the overall cost and after some discussion it was agreed to leave the charge as before.

It was decided to make no changes in the time (10a.m till 6p.m.) the boatmen's prizes (two at £1 and two at 10/-) and to leave the Secretary to purchase suitable prizes for the competition along the lines and costs of previous years. Loch Leven Fisheries promised up to 25 boats available and it was decided to allow each Craft to nominate four competitors.

Deacon Convener
Sir John W Train
1927-28

Reference was then made to the cup for the heaviest fish, so kindly offered at the Dinner, by Late Convener John Train. It was agreed, by all present, to accept this generous offer and left to Ex Convener Macnaughton and the Secretary to make the necessary arrangements.

The Acting Chairman then made reference to the late D Durward Clarkson (Gardeners) and suggested that in view of his past services to this competition, suitable mention should be made at the Annual Dinner. This was agreed.

The election of Office Bearers was next on the agenda and Ex Convener Allan S Dixon moved that Ex Convener Douglas Macnaughton (Fleshers) be elected as President. This was seconded by Mr M

Russell White. The two members of the Committee elected were Ex Deacon John C Paterson (Masons) and Mr Wm. K Livingstone (Wrights).

This concluded the business.

Saturday 16th May 1959

The twenty seventh Annual Competition took place on Loch Leven, Kinross, on the above date.

The fourteen Crafts were all represented and included Late Deacon Convener John W Train and Ex Conveners Douglas Macnaughton and Allan S Dixon.

After a record catch for the month of April the loch had not been fishing too well and once again we were unlucky.

For thirty-six rods the total catch was only twenty seven fish weighing thirty pounds.

The winner was ex Convener Douglas Macnaughton (Fleshers) with 4 fish 4lb 4oz.

Second: David A Liddell (Masons) with 2 fish 2lb 7oz.

Third: R R Murray (Dyers) with 2 fish 2lb 5oz.

Heaviest Fish: David A Liddell 1lb 7oz.

The usual informal dinner was held in the Green Hotel. Ex Convener Macnaughton in the Chair.

After the Loyal Toast, proposed by the Chair, the Secretary read the results of the day.

The Chairman before proposing the Trades House referred to the very sad loss sustained by the death of Late Convener Durward Clarkson, who had helped so much in the past to make the Annual Competition such a successful outing. He then thanked Ex Convener John W Train for his most generous and kind gift of a Cup for the heaviest fish and said he was sorry he had not emulated his last years' experience.

In reply to the toast Late Convener Train apologised for the Deacon Convener and Collector of the House, both being on holiday. He congratulated the Chairman on his winning catch. In referring to the Trades House he wondered if some people had the idea that it might be idling along in the doldrums. In his view this was certainly not the case. He thought that they were sailing on an even keel, in a good fresh breeze and with a fine skipper at the helm. In conclusion he apologised for not being able to arrive till the afternoon but was most grateful for the hospitality left for him at the pier by kind friends.

Ex Convener Allan S Dixon then proposed the toast of "Successful Competitors" and pointed out that the first three were all members of the Pollokshields A.C. and by a strange coincidence not one of last year's prize-winners had caught a fish this year.

Late Convener John W Train presented the prizes and each competitor replied in suitable fashion.

Ex Deacon Robt. Galbraith proposed a vote of thanks to the Chairman, Secretary and Committee.

Ex Deacon Robt. L Taylor suggested that the Late Convener Train's name should be shown as the first winner of the cup he had presented. The Chairman said this would be considered and there being no other business the Dinner was concluded when the assembled company sang "Auld Lang Syne"

7th April 1960

The twenty seventh Annual Meeting was held on the above date in the Trades House, Glassford Street.

Ex Convener Douglas Macnaughton (Fleishers) in the Chair.

Present: John A Service (Hammermen), David Buchanan (Tailors) as Secretary Treasurer, Allan S Dixon (Weaver), Wm. K Livingstone (Wrights), Andrew Clark (Coopers).

Apologies were intimated from W H McIntosh (Maltmen) and Wm. G Fyfe (Skinners).

The Secretary read the minutes of meeting held on 6th April 1959 and of the Competition on Loch Leven on 16th May 1959. These were agreed.

The Accounts were then given in detail and a balance of £7 6/3d was carried forward after all charges which included a donation of £35 to the Trades House to be left to the discretion of the Platform. The Accounts were approved.

The Secretary then reported a provisional booking of 20 boats at Loch Leven for 14th May. Charges as last year £3 13/6d per boat with 2 boatmen. This was agreed on and it was decided to keep charges, gratuities, and times as in the previous year.

These were as follows:

Charge per head £2 15/-. The entry money to include, fishing, boat, boatmen, dinner, cost of prizes and all gratuities with the exception of boatmen, which were recommended at 7/6 per boatman.

It was again agreed to allow each Craft to nominate four competitors.

The meeting then discussed the proposal put forward at the Dinner that Ex Convener J W Train name be the first on the cup for the heaviest fish, as Ex Convener Train had caught the heaviest trout in 1958. It was agreed unanimously that this would be a nice gesture and the Secretary was asked to arrange accordingly.

It was agreed to leave the Office Bearers as at present and there being no further business, this concluded the meeting.

Saturday 14th May 1960

The twenty eighth Competition took place on Loch Leven on the above date.

With the exception of the Skinners and Gardeners, all Crafts were represented.

The total catch for thirty two rods was 151 trout weighing 158lb 3oz and only one angler failed to catch something. The winner was:

1st Jas. Welsh (Cordiners) with 9 fish 11lb 11oz.

2nd D McLeod (Cordiners) with 7 fish 8lb 2oz.

3rd W B Wyper (Dyers) with 8 fish 8lb 1oz.

Four gentlemen tied for heaviest fish 1lb 11oz and by a cut of the cards, Frank Kinnaird (Bakers) won the Trophy.

Although the loch had been fishing well the day turned out as most suitable with a gentle westerly wind and odd blinks of sun. Fish were rising all day but came better later as the wind backed to S.W.

The usual Dinner took place in the Green Hotel, Kinross presided over by Ex Convener Douglas Macnaughton (Fleshers). Wm. K Livingstone (Wrights) kindly and ably attended to the duties of Secretary and Treasurer in the absence of D Buchanan (Tailors).

The toast "The Trades House" was proposed by the Chairman and Ex Convener Allan S Dixon (Weavers) suitably replied.

The usual "after dinner" collection was attended to by Robert Galbraith (Bakers) and David Biggart (Coopers) and amounted to £26 10/-. It was then unanimously agreed that this sum should be donated to the Fabric Fund. This was duly carried out.

The Chairman then drew the attention to the good work done by Mr Livingstone and there being no further business the Dinner broke up with the usual rendering of “Aul Lang Syne”.

6th April 1961

The twenty eighth Annual Meeting was held on the above date in the Trades Hall.

John C Paterson (Masons) in the Chair.

Present: John A Service (Hammermen), David Buchanan (Tailors), Jas. Welsh (Cordiners), Wm K Livingstone (Wrights), Andrew Clark (Coopers), W J Murray Galbraith (Gardeners), John Naismith (Barbers).

Apologies were intimated from Allan S Dixon (Weavers), M Russell White (Bakers), Wm. G Fyfe (Skinners) and D Macnaughton (Fleshers).

The Secretary then read the minutes of the Annual Meeting held on 7th April 1960 and of the Competition on Loch Leven on 14th May 1960. These were agreed.

The accounts were then reported on and it was pointed out that the outing now at £2 15/- per head barely squared itself and in fact would not have done so if two gentlemen who had paid had not called off.

The Bank Certificate was produced showing a balance at credit of £5 9/9d but the Secretary mentioned that the sum of £1 2/6d in addition should have been brought forward thus making the balance on hand £6 12/3d. This extra he said would be paid in immediately. The accounts were thereupon agreed.

The Secretary then reported a provisional booking on Loch Leven for Saturday 20th May. It was pointed out this was a week later than in previous years and that it also clashed with the Glasgow Spring Holiday. The Secretary was then asked to get our date altered to Saturday 13th May but if Kinross Estates were unable to change to agree to the 20th. The Secretary then went on to say the charge for a boat with two boatmen had gone up from £3 13/6d to £4 and after some discussion it was unanimously agreed there was no alternative but to raise the charge for the days outing from £2 15/- to £3 per head.

The Secretary was instructed to purchase the usual prizes and make arrangements for Dinner at the Green Hotel. It was agreed the boatmen's tip be kept at 7/6d and there being no further business the meeting was declared closed.

Saturday 20th May 1961

The annual competition took place on the above date and, as usual, on Loch Leven, Kinross. From the start of the season the loch had been fishing rather poorly and unfortunately conditions were not favourable on the day of our outing.

Thirty six Craftsmen took part but the total catch was only thirty fish weighing 31lb 4oz.

The winner was F Hamilton Leckie (Barbers) with 2 fish 2lb 6oz.

2nd A Brodie Hepburn (Maltmen) with 2 trout 2lb 5oz.

3rd James C Sharp (Weavers) with 2 trout 2lb 2oz.

The Train Trophy for the heaviest fish (1lb 6oz) was won by W M Gemmell (Hammermen)

Ex Convener Douglas Macnaughton, who unfortunately had not been well came along, very kindly, to see the boats away and wish everyone good fishing.

The usual informal dinner took place at the Green Hotel, Kinross, with Deacon Convener Muir Simpson in the Chair. Mr Wm. K Livingstone (Wrights) as acting Secretary gave the results to the assembled company and Mr Hamilton Leckie as winner, replied to the toast of "Successful Competitors" given by the Chairman.

Deacon Jas. Speirs (Weavers) kindly proposed "The Trades House of Glasgow" and this was ably and suitably replied to by the Deacon Convener.

The members present kindly collected a total of £24 and it was indicated that this year the Fabric Fund of the House be given this donation. This was agreed to and Mr Livingstone instructed accordingly. This finished the proceedings.

16th March 1962

The twenty ninth Annual Meeting was held on the above date in the Trades Hall, Glassford Street.

Present: John A Service (Hammermen), David Buchanan (Tailors), James Welsh (Cordiners), James C Sharp (Weavers), Ronald D McNeill (Skinners), Andrew Clark (Coopers), J R Dalziel (Fleshers), John Naismith (Barbers)

Apologies were intimated from William K Livingstone (Wrights), M R White (Bakers) and W H McIntosh (Maltmen).

The Secretary read the minutes of the Annual Meeting held on 6th April 1961 and also the minutes of the Competition held on Loch Leven, Kinross on 20th May 1961. These were duly agreed on.

The Secretary was then asked to report on the accounts, and he reported that the balance brought forward from the previous year amounted to £6 12/3d and at the end of the year the balance on hand amounted to £8 16/10d.

The main items on the income side were 36 entries at £3 and the collection from the members present at the Dinner £24.

On the expenditure side the main items were 18 boats at £4, 32 Dinners at 12/6d, Prizes £6 14/11d and the Donation to the Trades House Fabric Fund £24. The Accounts were thereupon agreed.

The Secretary announced that a provisional booking had been made for 18 boats with boatmen on Saturday 26th May 1962 from 10a.m. till 6p.m. It was pointed out

that this did not coincide with the Glasgow Spring Holiday and the arrangements and charge of £3 per head were agreed upon. This charge to include boat, boatmen and dinner, the only exception being the Boatman's tip which was agreed at 7/6d per head.

There was a short discussion on whether the Prizes this year might be Half Pint Beer Mugs and/or Ash Trays duly inscribed. It was however agreed to leave the final decision to the Secretary.

The Secretary read Rule 6 of the Constitution pointing out that each of the Incorporations shall have one representative on the Committee and that the Committee so appointed shall appoint a Chairman from their number. Mr John C Paterson acting Chairman thereupon referred to the sad loss to the Competition the untimely death of Ex Convener Douglas Macnaughton. Andrew Clark thereupon proposed that Mr John C Paterson be elected Chairman, and this was unanimously agreed to. There being no further business, the Meeting after a vote of thanks to the Chairman was declared closed.

Saturday 12th May 1962

The Annual Competition took place this year on Loch Leven, Kinross. We unfortunately again picked a rather poor day for sport. The wind which had been in the north for some days remained there, being very cold and latterly very strong. To make matters worse there were long bright periods which always seems to put the trout down on Loch Leven.

Thirty six anglers took part, but this could have been over forty if boats had been available.

The total catch came to 52 trout weighing 57lb 8oz.

The winner of the Dallas Casket was Ex Deacon Andrew Clark (Coopers) with 5 trout 5lb 10oz.

2nd Mr W Gibson Biggart (Hammermen) with 5 trout weighing 5 lb 8oz.

3rd Ex Deacon David Buchanan (Tailors) with 4 trout weighing 4lb 13oz.

The winner of the Train Trophy with the heaviest fish was Mr Duncan Morgan (Weavers) with 1 trout weighing 1lb 15oz.

The usual informal dinner took place at the Green Hotel with Ex Deacon John C Paterson (Masons) in the Chair. Ex Deacon Paterson on addressing the assembled company said "what a pleasure and privilege was to see Deacon Convener Kenneth Muir-Simpson. He had sacrificed another official duty to be with us". He mentioned that sincere letters of apology had been sent from Late Convener Andrew Lawson, Late Collector of the House J Calder McLeod and Collector W Leggat Smith and was glad to report that he was gradually improving in health.

At this point the Secretary, Ex Deacon David Buchanan read out the results.

Ex Deacon John C Paterson, the Chairman, proposed the toast of the Trades House of Glasgow and this was kindly and suitably replied by Deacon Convener Kenneth Muir-Simpson, who thereupon presented the Trophies and prizes to the successful competitors. The winner Ex Deacon Andrew Clark replied and on instruction from the Secretary the Dallas Casket was handed round and the sum of

£23 2/4d was donated by the members present. On the request of the Deacon Convener, it was suggested that the sum be donated to the Fabric Fund of the House and Ex Deacon Buchanan reported that he hoped from the funds available the donation would probably be raised to £25. A donation of £25 was duly sent to the Fabric Fund.

25th March 1963

The thirtieth Annual Meeting was held on the above date in the Trades Hall, Glassford Street.

John C Paterson (Masons) in the Chair.

Present: W M Gemmell (Hammermen), David Buchanan (Tailors), James Welsh (Cordiners), Ronald D McNeill (Skinners) and D Campbell Brown (Dyers)

Apologies were intimated from Andrew Clark (Coopers), J Roland Dalziel (Fleshers, John Naismith (Barbers).

The Secretary then read the minutes of the Annual Meeting held on 16th March 1962 and also the minutes of the Competition held on Loch Leven, Kinross, on Saturday 26th May 1962. These Minutes were agreed.

The Secretary referred to the sad loss the Hammermen had suffered in the death of Mr John A Service, who had been the Hammermen's representative for some years.

The Secretary then reported on the Accounts and this was to the effect that the balance brought forward for the year 1962 amounted to £8 16/10d and at the end of the year the balance on hand was £6 10/2d and a certificate of balance from the Manager of the Clydesdale Bank, St. Enoch Square was produced.

On the Income side the entries were first of all, 36 competitors at £3 each - £108, and a cash collection at the Dinner, £32 2/4d.

On the Expenditure side the main entries were 18 boats at £4 - £72, Green Hotel Dinners at 13/6d - £22 5/6d, Robertson Fishing Shop for prizes £7 4/- and a donation to the Trades House Fabric Fund £25. These accounts were agreed and passed by the members present.

The Secretary reported that a provisional booking had been made for 18 boats with boatmen for Saturday 25th May 1963 from 10a.m. till 6p.m. He went on to report that charges for fishing were again higher and for two boatmen the charge was now £4 6/-, and for a boat with one boatman and outboard motor was £4 4/-, a rise of 4/- . There was some discussion on whether the Competition should take outboards and only one boatman, but Mr Welsh reported that he had heard that the outboards were being started this year as an experiment and that he understood that only 9 motors were available. The meeting agreed unanimously that all competitors should fish under the same conditions and, therefore, it was agreed that for this season, at any rate, we continue with 2 boatmen. To cover the extra cost it was then agreed that the entry money for the day's outing should be raised from £3 to £3 5/-.

The Secretary reported that there had been a discussion with regard to making the first prize a suitably inscribed Beer Mug or Ash Tray and reported that Robertsons could produce a Half Pint Beer Mug for around £3 10/-, and it was agreed to leave this and the other prizes to the Secretary. It was pointed out that the outing this year coincided with the Glasgow Spring Holiday and the Secretary agreed to mention this in his circular, and in case certain Crafts were not able to produce their quota of 4 names they be given the chance to forward additional names to fill any vacancies.

There being no further business Mr D Campbell Brown proposed a vote of thanks to the Chair and the meeting was declared closed.

Saturday 25th May 1963

The Annual Competition took place as usual on Loch Leven, Kinross. The Loch had not been fishing at all well, but the latest reports indicated a slight improvement in catches. However, the quality of fish caught was still below average weight and this was proved correct when the 36 anglers taking part and representing all the Crafts with the exception of the Barbers, caught 68 trout weighing 52lb 9oz.

The winner of the Dallas Casket was Ex Deacon David Buchanan (Tailors) with 15 trout weighing 10lb 10oz.

2nd David A Biggart (Coopers) with 5 trout weighing 3lb 14oz.

3rd R D McNeill (Skinners) with 5 trout weighing 3lb 12oz.

The winner of the Train Trophy for the heaviest fish was W M Gemmell (Hammermen) with a trout weighing 1lb 5oz.

Heavy rain marred the morning but conditions improved and became warmer around lunchtime, and by late afternoon the weather had brightened and this as is usual on Loch Leven put the fish right down.

An innovation this year on the Loch was outboard motors on 8 of the boats allocated to the Competition. Only one boatman went with each outboard. It was perhaps rather unfortunate that some boats had only boatmen and were not quite so volatile. It is understood that there will be a considerable increase in the outboard motors next season and it would seem it is only a matter of time before all boats are thus equipped.

An informal dinner took place at the Green Hotel with Ex Deacon John C Paterson (Masons) in the Chair.

The Loyal Toast was proposed by the Chairman and then the Secretary read out the report of the day's catch.

The Chairman then suitably proposed the toast of the Trades House of Glasgow. In his remarks he said how pleased he was to see some of the younger members turning out and he hoped their numbers would increase year by year. He also mentioned the question of the outboard motors and pointed out that there was no alternative until all boats were so equipped. This was kindly replied to by Ex Deacon Convener Allan S Dixon, who presented the trophies and prizes. Ex Deacon Buchanan replied on behalf of the successful competitors.

The usual collection then took place when the Dallas Casket was passed round the assembled company and the sum of £24 15/- was kindly donated by the anglers present. The Treasurer, Ex Deacon Buchanan reported he thought that funds would be available to raise the donation to £25 and Ex Convener Dixon mentioned it would be a kind gesture if this sum was donated to the Fabric Fund of the House.

£25 was duly sent to Mr Allison.

The proceedings closed when Ex Deacon James Speirs (Weavers) proposed a hearty vote of thanks to the Chairman.

25th March 1964

The Thirty First Annual Meeting was held on the above date in the Trades Hall, Glassford Street.

Mr John C Paterson (Masons) in the Chair.

Present: W M Gemmell (Hammermen), David Buchanan (Tailors), James Welsh (Cordiners), Ronald D McNeill (Skinners), Andrew Clark (Coopers) and Alistair Wallace (Fleshers).

Apologies were intimated from R R Murray (Dyers), W J Murray Galbraith (Gardeners) and Mr Russell White (Bakers).

The Secretary read the minutes of the Annual Meeting held on 25th March 1963 and also the Minutes of the Annual Competition, held on Loch Leven, Kinross, on Saturday 25th May 1963. These were agreed.

The Secretary was then asked to report on the accounts for the year 1963. He reported that a balance of £6 10/2d was brought forward and at the end of the year the balance on hand amounted to £10 19/8d and a Certificate of Balance for this amount from the Clydesdale Bank, St Enoch Square, was duly exhibited.

The main entries were on the income side, 36 competitors at £3 5/- amounting to £117 and the collection at the dinner - £24 15/-.

On the expenditure side the main item was £75 5/- for hire of boats and boatmen. £22 5/6d for dinners at the Green Hotel and £25 being donation to the Trades House Fabric Fund. The prizes from William Robertson's came to £7 and the other items were made up of gratuities, boatmen's prizes, service charges and T S Cuthbert for engraving. The Chairman signed the accounts after they were passed by the meeting.

The Secretary in reporting that a provisional booking has been made for 18 boats for Saturday 23rd May 1964, then mentioned that, once again charges had gone up, but only nominally, to £4 8/- for boat and 2 boatmen and to \$4 5/- for 1 boatman

and outboard motor, rises of 2/- and 1/- respectively. In view of this, the Secretary reported that there should be no reason to increase the entry money.

The Secretary then brought up the question of the rather unsatisfactory arrangement whereby some anglers get the use of an outboard and others do not. The feeling at the meeting, however, was, it made little real difference and that as more boats would be using outboards this year and. Ultimately, all boats would be probably be with outboards, there was little we could do about it.

Additional boats were not asked for as last year there was a small waiting list and it was agreed that if this occurred this year, we give the latecomers the option of fishing three to a boat.

The Chairman suggested that the question of prizes, as usual, be left to the Secretary, while the difficulty arising as regards boatmen's prizes, with either one boatman or two boatmen being first boat, was left until an official statement was given by the Loch Leven Fisheries.

The Chairman, John C Paterson, then reported that as he would probably be out of the country at the time of the Competition and as he had held the office for two or three years he thought it only right the honour should go round and he proposed that Mr Andrew Clark (Coopers) be elected the new Chairman. This was seconded by Mr W M Gemmell (Hammermen) and the meeting agreed unanimously.

The meeting was closed with a vote of thanks from Mr Andrew Clark to the Chairman and from Mr John C Paterson to the Honorary Secretary Treasurer.

Saturday 23rd May 1964

The Competition took place as usual on Loch Leven, Kinross. Expectations were not great as the loch had been fishing very badly indeed. However, a slight improvement in catches had been reported within the last few days. When the thirty competitors set out at 10 o'clock, conditions seemed ideal. The wind was light and steady from the east and a misty sky indicated heat later in the day. This proved correct and when the sun ultimately broke through just after lunch, chance of any reasonable catches disappeared.

It is interesting to report at this stage that each of our boats had the use of an outboard motor with only one boatman.

At the weigh in it was found the total catch mounted to 24 trout weighing 20lb 12oz. The winner of the John Dallas Casket was Ex Deacon David Buchanan (Tailors) with 3 trout weighing 3lb 7oz.

2nd Ex Deacon Andrew Clark (Coopers) with 3 trout weighing 3lb 1oz.

3rd Grahame C W Scott (Hammermen) with 2 trout weighing 2lb 4oz.

The winner of the Train Trophy for the heaviest fish was Ex Deacon David Buchanan (Tailors) with a trout weighing 1lb 6oz.

The usual informal dinner took place at the Green Hotel with Ex Deacon Andrew Clark (Coopers) in the Chair. The Chairman in welcoming competitors reported that Deacon Convener J H Calder McLeod had sent in his apologies and reported that unfortunately, he had already been committed to taking part in an Archery Competition. Apologies were also read from the Collector of the House and Ex Convener John W Train.

The Queen was proposed by the Chairman and thereafter the Secretary read out the report of the day's catch.

The Chairman in proposing the toast of the Trades House of Glasgow, remarked that it was interesting to note that the angling competitors through the years had collected a sum of approximately £925 which had been donated to various funds in the House.

Ex Deacon Convener Allan S Dixon replied suitably and then presented the trophies and prizes, including a special prize given by Deacon George C Murray (Tailors) for the winner within the Craft and this was won by Ex Deacon D Buchanan.

The John Dallas Casket was then, as usual, passed round the assembled company and the Chairman intimated that a sum of £20 11/- had been donated and he suggested that this be given to the Fabric Fund of the House. The assembled company unanimously agreed. This concluded the formal meeting.

The thirty Second Committee Annual Meeting was held on the above date in the Trades Hall, Glassford Street.

Mr Andrew Clark (Coopers) in the Chair.

Present: W M Gemmell (Hammermen), David Buchanan (Tailors), James Welsh (Cordiners), Ronald B McNeill (Skinners), Thomas K Campbell (Masons) and John Naismith (Barbers).

Apologies were intimated from Wm. K Livingstone (Wrights), W J Murray Galbraith (Gardeners) and R R Murray (Dyers).

The Secretary read the Minutes of the Annual Meeting held on 26th March 1964, and also the Minutes of the Annual Competition held on Loch Leven, Kinross, on Saturday 23rd May 1964. These were agreed.

The Secretary then read out his report on the accounts for the year. The year started with £10 19/8d in hand and finished with a balance of £6 7/8d. The main items on the income side came from competitors at £3 5/- and the collection at the dinner amounting to £20 11/-. The main expenses were the charge for 15 boats at £4 5/- each (outboard motors and one boatman). The Secretary also reported we were charged for two boats not used.

Dinners at the Green Hotel cost £14 6/- and prizes from Messrs Robertson's cost £7. The final entry was a donation to the Trades House Fabric Fund of £22 10/-. The Chairman signed the accounts, and thereafter they were passed by the meeting.

The next item was arrangements for the Competition, and the Secretary reported that the date had been put forward one week. The Loch Leven Fisheries stated that according to custom the date was put forward every 4 years. 15 boats had been reserved with the possibility of additions, if required. The Secretary reported that charges were again up, being £4 10/- per boat, boatman and outboard. After some discussion, it was agreed that for this season, at least, the charge for our competition should remain at £3 5/- per head. It was felt that any further increase would prevent younger Competitors from coming forward.

The Chairman suggested that the question of prizes as usual be left to the Secretary, including an inscribed tankard, as first prize.

Boatmen's prizes as suggested by the Scotting National Angling Association to be first prize £1, and second prize 10/-. It was also decided to advise competitors that the gratuity for the boatmen should be 7/6d per competitor.

The Secretary suggested to the meeting, that as he had held office for many years, he thought that it might be advisable to have a change, as new blood might bring in some new ideas. This was noted.

There being no further business, the Chairman closed the meeting with a vote of thanks to the Honorary Secretary, and Mr W M Gemmell proposed a vote of thanks to the Chairman.

Saturday 5th June 1965

The Annual Competition was as usual, held on Loch Leven, Kinross. After a night of heavy rain, it began to clear around the time of starting at 10 o'clock, and the rain was off with a gentle breeze from the South-west and conditions looked favourable. 43 competitors set out and conditions remained good throughout the day, although rather too bright round lunch time, and the wind dropped for a period in the afternoon.

Competitors reported many fish moving but not taking properly, and one member, known as a good fisher, actually rose 20 fish without hooking one.

The final result was 70 trout weighing 57lb and the winner was T Muir Wilson (Dyers) with 7 trout weighing 5lb 2oz.

2nd Angus MacDougall (Wrights) with 4 trout weighing 4lb 3oz.

3rd Ex Deacon Robert J Galbraith (Bakers) with 4 fish weighing 3lb 13oz.

The Dinner took place as usual at the Green Hotel with Ex Deacon Andrew Clark (Coopers) in the "Chair". After the Loyal Toast the Chairman welcomed the Competitors and mentioned he was delighted to see quite a few new and younger members present and hoped they had enjoyed their first outing with us.

Apologies had been received from the Deacon Convener, Collector of the House, Late Deacon Convener Calder McLeod, and Ex Deacon Conveners Muir Simpson and John Train. There were, therefore, no members of the Platform Party at the dinner. The Toast of the Trades House of Glasgow was given by the Chairman and was enthusiastically responded to with enthusiasm.

The Secretary, Ex Deacon David Buchanan (Tailors) read out the report on the day's catch and the Chairman presented the John Dallas Casket as first prize to T Muir Wilson (Dyers), and also the prizes to the other winners including the John Train Trophy which was won by Angus MacDougall (Wrights) for the heaviest fish.

T Muir Wilson – Dyers

Angus MacDougall – Wrights

Ex Deacon Robert Galbraith – Bakers

All replied suitably and the proceedings ended with the Chairman mentioning that as we had all fished three competitors to a boat there had been a considerable saving in outlay, and that the usual custom of passing round the Casket would not be done this year. Any surplus would as usual be forwarded to the Trades House.

For this Minute £25 was forwarded to Mr Allison to be used as thought necessary by the Platform Party.

5th April 1966

The 32nd Annual Meeting was held in the Trades Hall, Glassford Street, on the above date. Andrew Clark (Coopers) was in the Chair.

Present: David Buchanan (Tailors), James Welsh (Cordiners),
Ronald D McNeill (Skinners), A S Daly (Gardeners),
John Naismith (Barbers)

Apologies: were intimated from James V Campbell (Masons),
William K Livingstone (Wrights), James C Sharp (Weavers),
R R Murray (Bonnetmakers).

The Secretary read the minutes of the Annual Meeting held on 6th April 1965, and also the Minutes of the Annual Competition held last year on Loch Leven – 5th June 1965. These were agreed.

The Secretary then reported on the Accounts for the year, and briefly these were as follows:-

On the Income side £6 7/8d was brought forward and 44 Competitors at £3 5/- each amounted to £143. On the Expenditure side the main items were Loch Leven Fisheries – 15 boats at £4 10/- = £67 10/-. Green Hotel Dinners, including Gratuities £30 6/-. William Robertson's prizes £8 10/-. Donation to the Trades House £25 and the balance on hand amounted to £14 15/- and the Certificate of Balance for this amount from the Clydesdale Bank, St. Enoch Square, was duly exhibited.

It was then intimated that the Competition for this Season was arranged for 28th May, on Loch Leven where 15 boats (each one with one boatman and outboard had been booked). After some discussion it was agreed that 3 Competitors to be allowed to fish in each boat. It was also agreed that the outing charge for the outing should remain at £3 5/- each, and the Secretary was instructed to purchase Competitor's prizes in line with recent years, including an engraved tankard for the winner of the Dallas Casket.

After some discussion it was decided to increase the boatmen's prize to 30/- for the first boatman and 20/- for the second. The Chairman, Andrew Clark (Coopers) then

reported as he had held the Chair for two years he thought that it only correct that he should stand down, and he proposed that Mr John Naismith (Barbers), the oldest Committee Member should be elected in his place. This was seconded by Mr David Buchanan (Tailors) and unanimously agreed upon.

The Chairman then mentioned the Minute of last year, when the Secretary intimated that he thought it only right that he should hand over to a younger Member after his long period in office. Mr Clark was glad to report that he had approached Mr David Biggart (Coopers) who had agreed to accept the post and this was unanimously endorsed by the Committee members present.

There being no further business the Meeting adjourned.

Sunday 28th May 1966

The Annual Competition was held on Loch Leven, Kinross in conditions of bright sunshine which usually produces very little in the way of fish. 39 Competitors took part. The final result was 69 fish weighing 62lb 2oz and the winner was David A Biggart (Coopers) with 8 trout weighing 8lb 1oz.

2nd was William M Gemmell (Hammermen) with 8 trout weighing 7lb 3oz.

3rd was W H McIntosh (Maltmen) with 4 trout weighing 4lb 2oz.

The John Train Trophy for the heaviest fish, which weighed 1lb 10oz, was also won by David A Biggart.

The Dinner took place in the Green Hotel with Andrew Clark (Coopers) in the Chair.

After the Loyal Toast the Chairman welcomed the competitors and stated that he was delighted to see a large number of members turning out, and hoped that they would continue to do so in future years.

The Chairman reported, that despite being invited, the Trades House was not represented and instead of the usual toast to the Trades House he suggested that we have two minutes silence. This lasted about thirty seconds.

The Secretary, David Biggart, read out he report of the day's catch and the prizes were presented by R R Murray. All replied suitably and the proceedings ended with a vote of thanks to the Chairman proposed by Alastair Wallace.

It was agreed that no donation be made to the Trades House Fabric Fund.

The Chairman reported that David Buchanan's services as Secretary of the Angling Section for seventeen years had been recognised by presenting him with a suitably engraved reel and line.

Saturday 25th May 1968

The Annual Competition was held on Loch Leven. The weather conditions were terrible with a cold strong easterly wind combined with bright sunshine in the afternoon. The strong wind did not cause White Horses on the Loch, the condition of the water being such that it was Green Horses!

Thirty-five Anglers took part, a drop compared to recent years.

Only three trout were caught weighing 2lb 8oz; the second poorest catch in the Competition's history. The winner was David Biggart (Coopers) with 2 trout weighing 1lb 11oz. (two poorer fish I have yet to see!).

2nd Robert Rattray (Skinners) with 1 trout weighing 13oz.

Competition
24th May 1969

It was agreed that the cost of entry remain at 65/- and the other arrangements to be as in previous years.

The only problem arising concerns the Boatmen, Boatmen had been reserved but in view of the change of method of employment it was pointed out that on the day of the Competition they might not in fact, turn up. It was agreed that the arrangements for dealing with this emergency should be left in the hands of the Secretary.

The meeting closed with a vote of thanks to the Chairman and Secretary.

24th May 1969

The Annual Trades House Competition was held on Loch Leven on Saturday 24th May 1969 and was attended by 32 Craft members.

The total catch was an improvement on the previous year. Six fish weighing 3lb 11oz were caught.

1st Bill McIntosh (Maltmen) with 3 trout weighing 1lb 8oz.

2nd Alastair Wallace (Fleshers) and winner of the Train Triphy for the heaviest fish with a trout of 14oz.

3rd Harry Wylie (Skinners) with a trout of 13oz.

The weather was very variable with sun, and wind and rain. The temperature varied between 58^o and 50^o F. Hardly a fish was seen moving all day which was most discouraging for those taking part. Sandy Fyfe (Bakers) and Iain Robertson (Gardeners) who did not see a fish all day were disqualified for returning late to the pier. A perfect illustration of the angler's proverbial patience.

Dinner was served in the Green Hotel and presided over by Bill Gemmell (Hammermen), who presented the Trophies and prizes to the skilful Anglers.

Minutes The Minutes of the meeting held on Tuesday 4th March 1969
was approved and signed by the Chairman.

Venue of 1970 Competition The Secretary explained that the Committee of the Scottish
National Angling Clubs Association had held a meeting with the
Brown Trout Laboratories at Faskelly. Basically, the worst fears
and rumours were confirmed and the future of Loch Leven as a
top class Fishery was in considerable doubt and it was pointed
out however, that there could still be very good catches on the
Loch but this would depend upon just how little or how much
algae there was on the water.

The alternative to Loch Leven was Lake of Menteith which, it was pointed out, is a new Fishery that has not yet come to maturity and indeed it might be some years before this will happen.

After a full discussion it was the unanimous opinion of those present that we should hold our future competitions, meantime on the Lake of Menteith.

In 1970 we would have at least 10 boats. This would mean restricting the numbers of those taking part to 2 per craft. The Secretary was instructed to write to both Loch Leven and the Lake of Menteith.

The meeting closed with a vote of thanks to the Chairman and Secretary.

23rd May 1970

The Annual Trades House Competition was held for the first time on the Lake of Menteith on Saturday 23rd May 1970 and was attended by 28 craft members.

The total catch was 36 trout weighing 22lb 11oz a considerable improvement on recent years.

1st William Gemmell (Hammermen) with 6 trout weighing 3lb 14oz. He also won the Train Trophy for heaviest fish weighing 1lb 1oz.

2nd Iain Robertson (Gardeners)

3rd Russell Park (Fleshers)

When we set sail, it was apparently a perfect Angling day but unfortunately the wind rose and it became colder. All anglers taking part saw fish although not everybody caught fish. The general opinion seemed to be that changing the venue was a good move.

Dinner was served at the Lake Hotel and presided over by James Welsh (Cordiners) who presented the Trophies and prizes to the successful anglers.

<u>Minutes</u>	The Minutes of the meeting held on 22 nd June 1973 which had been circulated to all Members of the Committee, was approved and signed by the Chairman.
<u>Accounts:</u>	Accounts for the 1973 Competition were submitted and approved. The opening cash balance of £11.52 had increased to £39.67. Approximately £12 of the increase arose from members not attending the Dinner. It was suggested that it would be more satisfactory if the meal after the competition could begin earlier, in order to give time to present trophies etc., during the meal.
<u>1974 Arrangements</u>	The Competition will be held ay the Lake of Menteith on Saturday 7 th September 1974. It was agreed that as Mr Denzil Muir Simpson, the Deacon Convener, had been the first holder of his office to attend the angling function for a considerable period of time, that the collection was most appropriate. It was hover unanimously agreed that it would not be appropriate on future occasions to ask members to contribute to a similar collection. A contrary view was expressed in a letter received by the Secretary from Mr Sharp of the Weavers. It was agreed that the Secretary should invite the Deacon Convener, next year, to attend the Competition. The meeting closed with a vote of thanks to the Secretary and the Chairman.

31st August 1974

Bill Cormie won the Train Trophy with a fish weighing 1lb 12oz.

39 Anglers attended the Competition.

36 Anglers were joined by the Deacon Convener, Denzil Muir Simpson for dinner when he presented prizes.

The Gardeners win is their first ever and as a result all Crafts have won the Dallas Trophy at least once.

19 Anglers had no fish.

The Gardeners retained the Dallas Trophy and thus brought their total wins up to two (2).

The Train Trophy was won by Rae Stewart with a fish of 2lbs, the heaviest weight ever recorded in the competition.

4th September 1976

The total catch was a record for the Lake beating the previous best by 6 fish and 2 full ounces.

The winner Dr Stuart Young had a record catch, by 3oz.

The Train Trophy for the heaviest fish was won by Peter Shaw (Wrights).

11 rods were clean out of a total of 37 anglers, 31 of whom attended the Dinner and presentation of prizes.

Neither the Maltmen nor the Barbers were represented in the Competition.

Dr Hugh Park, a late entrant, caught only one trout but as it was a tagged fish it won for him a free boat on a day of his choice.

3rd September 1977

Despite strong winds which usually do not encourage Rainbow Trout as we had for the second successive year, a record catch (for the Lake) of 101 trout weighing 67lbs 10oz., 6 trout and 8lb 13 oz of an improvement.

Fergus Sandeman (Weavers) was the winner with a record weight for the Lake. The Weavers have now won the Dallas Trophy 3½ times.

The Train Trophy for the heaviest fish (1lb 3oz) was won by David Biggart, beating Alastair Wallace by a tiny margin.

38 anglers took part in the competition and 28 attended the dinner where Tom Burnside presented the prizes. The poor attendance at the meal was disappointing but the funds will benefit considerably and hopefully enable us to keep the entry price down to a reasonable level next year.

The Cordiners, Maltmen and Bakers were not represented in the Competition.

2nd September 1978

All the crafts were represented when a total of 38 anglers, one short of the record attendance at the Lake, set forth with high hopes that were to some extent to be dampened by a wind that became too strong for considerable periods. The result, 101 trout, the same number as last year's record, weighted 9lb 15oz less than last year's record weight was accordingly very gratifying.

Alastair Wallace's catch was a record individual basket for us at the Lake and the Fleshers' third win in the Competition. The Train Trophy for the heaviest trout, 13 ounces, was won by John McCaig, the first time that the Cordiners have won the trophy.

Six anglers did not remain for the meal which was a pity, but it helped to increase our cash reserves by £15.83 to £116.38.

Glasgow Trades House 47th Angling Competition

The above competition was held at the Lake of Menteith on Saturday 1st September 1979 in somewhat damp and musty conditions, but a very reasonable catch was produced by 33 Anglers who took part. This is the year of the Child which the results bore out as the 1st and 2nd baskets were caught by the sons of two slightly older members.

The Train Trophy for the heaviest trout which weighed 1lb 7oz was caught by Wm. Gemmell (Hammermen), who this won the trophy for the fourth time.

The Dallas Trophy for the best basket was won with a record catch for the fourth successive year. The previous records were:

1976 Stuart Young	(Tailors)	9 fish 5lb 7oz
1977 Fergus Sandeman	(Weavers)	8 fish 5lb 12oz
1978 Alastair Wallace	(Fleshers)	11 fish 5lb 15oz

The Coopers have won the trophy more often than any other craft – 7½ times – which should please Harry Abram, the Deacon Convener, whose Deputy, James Fyfe, very kindly presented the prizes.

The total attendance – 32 – was not good and only 23 members remained for the meal – a poor show.

The funds have increased by £16.28 to £132.56 because of the poor attendance at the meal and it seems that next year's charge should be calculated to reduce this surplus, but we shall soon be celebrating the 50th Competition and so perhaps not.

48th Glasgow Trades House Angling Competition 1980

For the fifth successive year, The Dallas Trophy was won with a record total catch for the Lake. The previous records were:

1976	Stuart Young	9	5lbs. 7oz.
1977	Fergus Sandeman	8	5lbs. 12oz.
1978	Alastair Wallace	11	5lbs. 15oz.
1989	Stuart Biggart	12	7lbs. 2oz.

The financial position was improved by the fact that 5 members did not stay for the meal, which was disappointing, especially as only two of these gentlemen were considerate enough to let me know that they would not stay.

We have been offered and accepted, a silver cup which will, from 1982 onwards, be awarded to the Craft whose team of not more than two members has the best aggregate catch.

The Cup is being presented by Mrs Isobel Hunter, whose husband Arthur was recently Deacon of the Hammermen. Mrs Hunter's father, Sir Jackson Miller, was also Deacon and her grandfather, also Jackson Miller, was Deacon Convener in 1917-18 and it is thus very appropriate to be offered a Cup from somebody with such a strong connection with the Trades House.

49th Glasgow Trades House Angling Competition
5th September 1981

The weather was not terribly nice. We started off in a gale which became so bad that Bill Martindale, the Fishery Manager, made everybody stop fishing and go ashore for an hour at noon. The wind did abate but a bright sun then appeared and stayed at our backs for the rest of the day. We really did well to catch as many fish as we did.

The competition was the closest for years, the six ounce difference between 1st and 3rd has only been smaller once in the last 20 or so years. It was a 4 ounce margin in 1961 when the winner was Frank Leckie, who would have been in the Chair on Saturday if he had not been sailing up the Rhine.

38 Anglers took part in the competition but where were the Barbers and Cordiners?

Before rushing off to his own party, James Fyfe the Deacon Convener presented the prizes and trophies and Dick Murray presided over the Dinner.

The Train Trophy for the heaviest fish was won by W J D McGowan (Dyers) with a fish of 1lb 5oz.

The Coopers have now won the Dallas Trophy 8½ times, which is 2 better than the Wrights who have 6½ wins. (In 1936 the two Crafts shared the Trophy – E Kellow (Wrights) and Wm. Gillespie (Coopers), each having 8 trout weighing 5lb 10oz.)

11th November 1981

Minute of Meeting of Glasgow
Trades House Angling Committee
Held at 307 West George Street,
Glasgow G2 4LB on Wednesday
11th November 1981 at

Present: I Robertson (Dyers) Chairman
W G Biggart (Hammermen)
G Dunn (Masons)
David A Biggart Secretary

Apologies for Absences Apologies for absence were intimated on behalf of
B Holmes (Weavers)
R Rowan (Gardeners)

Minutes The Minutes of the meeting held on 26th June 1975, were
approved because nobody could dispute the accuracy or
otherwise.

1982 Competition Arrangements were discussed in some considerable detail
concerning the 50th Competition to be held at the Lake of
Menteith on the 4th September 1982.

Funds on hand amounted to £456.

It was agreed that money should be spent as follows:

A 1st prize in the form of an engraved tankard to go to the
winner of the Dallas Trophy £20

A prize for the top rod in each Craft.
10 engraved ashtrays £70

The top rod in the Tailors, Bakers, Dyers and Cordiners to be
awarded a mounted cast used by the winners of the first 4
Competitions held between 1927-1930.

In the vent of no Craft member catching a fish the prize would
be awarded to the top rod in the 1981 Competition, assuming
that he was fishing in 1982. In the vent of this method not being
available, those competing would draw lots.

A Memento prize would be given to all those taking part in the
Competition. Cost: £100

It was agreed that we should invite to the Dinner, the Deacon
Convener and his wife and Mrs Hunter, Donor of the Team
Trophy. Cost: £30

Wine should be paid for and we would subsidise the meal.
Total Cost say: £200 £420
£36

The cost of the Competition would be £10 per head. This should be self-financing either a small surplus or small deficit.

A very nice Cup has been donated by Mrs I Hunter, wife of I Hunter a former Deacon of the Incorporation of Hammermen. It was agreed that the Trophy should be competed for by teams of 2, the teams to be nominated prior to the start of the Competition.

If a Craft has only one entrant, he cannot constitute the team.

It was agreed that no two members of the same Craft taking part in the Team Competition would be allowed to fish in the same boat and no Craft to be allowed to enter more than one team.

Secretary

Mr D A Biggart intimated that it was his intention to retire as Secretary after the 1982 event. Mr Biggart was asked to record the thanks of the Incorporations for his services over the past 16 years.

Previous Secretaries

Mr D Buchanan ran 18 Competitions and
Mr D Lang had run 15 Competitions although he had been Secretary for 21 years including the War period.

It was unanimously agreed that Tom Gilchrist should be asked to take over the Secretarial duties from 1982 Competitions onwards.

The meeting closed with a vote of thanks to the Chairman and an expression of regret all round that only 4 members had attended the meeting despite the long advance notice.

50th Glasgow Trades House Angling Competition 4th September 1982

The weather for our fiftieth competition was not ideal and for half the day we had not a breath of wind but it was not cold and when we sat in comfort at home on Sunday, no doubt we then realised how lucky we had been.

An extraordinary statistic is the fact that in our 50 competitions we have caught exactly 3000 pounds of fish!

The competition was attended by 37 Anglers and the Dinner by 32.

Iain Robertson (Dyers) was in the Chair and conducted the affairs in an exemplary manner. The prizes were presented most charmingly by Joyce Robertson and Margaret Biggart who were each presented with a bouquet of flowers and Bill Gemmell, who for the past 17 years has performed his duties of acting unpaid Lance-Secretary and I am most grateful for all Bill's help.

The retirement of the Secretary was marked by a presentation from the Committee Members, of a most magnificent Whisky Decanter. This lovely gift is much appreciated by the recipient who retires with regret but with the knowledge that it is time that some fresh ideas were produced with regard to the running of the event.

The Jackson Miller Trophy presented by Mr Arthur Hunter in memory of her grandfather and father was competed for the first time.

The Gardeners team of Ian McLellan and Bob Rowan had an easy win with 9 trout weighing 5lb 12oz with the Coopers team of David and Stuart Biggart in second place with 5 trout weighing 3lb 11oz.

The new Secretary will be Stuart Biggart, whose address and telephone number is 242 Wilton Street, Glasgow. 041 – 945 – 1716.
