RULES.

I. The Society shall be called "THE GLASGOW EASTERN MERCHANTS' AND TRADESMEN'S SOCIETY"; and its objects are declared to be the aid of such of its Members and their Widows as may be reduced to necessitous circumstances.

II. Applicants for admission may be proposed at any Quarterly or *pro re nata* Meeting of the Directors, and shall be admitted or rejected by a majority of votes at the following Meeting. The votes of the Members present at the Annual General or Special Meetings of the Society shall, equally with the votes of the Directors at their Quarterly or other Meetings, be taken by ballot. The fee or entry-money payable at the Far Hand shall be Five Guineas (£5 5/-) up to the age of 30 years, with 5 per cent. simple interest additional for each and every year beyond that age; the age being fixed as at the applicant's last birthday. Sons or Sons-in-law of a Member shall be entitled to obtain admission at the fee or entry-money of Three Guineas (£3 3/-). Until the entrance fee is paid no applicant's name shall be enrolled, and no Member shall be entitled to vote, or otherwise interfere in the affairs of the Society, until the lapse of one year after enrolment. The full name and address of every applicant shall be communicated in writing to the Secretary before the meeting by his proposer.

III. The management of the affairs of the Society shall be vested in a Board of Directors, consisting of a President, Secretary, Treasurer, and thirteen Ordinary Directors, all Members of the Society, to be chosen at the Annual Meeting of the Society, as after provided for. Any vacancy which may occur in the Board from non-acceptance, death or resignation, or any other cause, may be filled up by the remaining Members of the Board; and the Member so named shall, as regards the period he shall hold office, take the place of the Member whose office has become vacant.

IV. A stated Annual General Meeting of the Society shall be held in the month of January in each year, at which the Directors shall submit a report of the proceedings and progress of the

Society for the previous year to 31st December, with statements of the capital and the particulars of its investments, and the annual income and expenditure of the funds belonging to the Society. At each Annual General Meeting the President, Secretary, and Treasurer for the then ensuing year shall be chosen. The first four Ordinary Directors at the top of the list shall retire from office, and four Directors shall be chosen, whose names shall be added at the bottom of the list in the order of their election. Each retiring President shall be elected an Ordinary Director for one year. Retiring Directors shall not be eligible for re-election, but may be again elected after the lapse of one year from the date of demitting office.

Special General Meetings of the Society may be called on a requisition to the Secretary, stating the purpose of the meeting, signed by three Members of the Board of Directors, or eight ordinary Members of the Society. All General Meetings shall be advertised not less than twice in one or more Glasgow newspapers, at least six days before the meeting.

V. The Directors shall hold four stated Quarterly Meetings for disposing of the business of the Society—viz., on any day of the third week of January, April, July, and October, as the President may determine at the time. The President or any three Directors may direct the Secretary to call Special Meetings of the Board from time to time for managing the business of the Society. The Directors may appoint Committees of their number for the transaction of any particular business, and with such powers as they deem necessary. The quorum of a meeting of Directors shall be five; and at all meetings of the Directors, the President, if present, shall preside; failing him, one of the Directors chosen at the time. The person presiding shall have a casting as well as a deliberative vote, in case of equality. Meetings of Directors or Committees shall be called by circular, delivered or posted not later than the day previous to the Meeting. Any Director absenting himself without reasonable excuse from more than one half of the Directors' Meetings summoned during any one year may be removed from the Directorate by a resolution passed at any Annual Meeting by a majority of not less than two-thirds or those voting at such Meeting.

VI. The Secretary shall give notice of all Meetings of the Society, Directors, and Committees; attend such Meetings and write the Minutes; engross them and all other documents in the Minute Book; frame and engross Reports of Directors and Committees; keep the Roll of Members; make out Diplomas or Certificates of Membership; take charge of the titles and documents of the Society, and generally manage and conduct, under the direction and control of the Board of Directors, the business and general affairs of the Society.

VII. The Treasurer shall have the responsibility of collecting and disbursing the funds or income of the Society under the direction and control of the Board of Directors. He shall also prepare the annual statement of the capital investments and income and expenditure of the Society. When the money in his hands amounts to Ten Pounds (£10), he shall deposit the same in the Society's bank account. The bank account shall be operated upon by a cheque, signed by the Treasurer, countersigned by the Secretary, and one of the Directors. The Treasurer's accounts shall be audited by two Auditors to be appointed at the Annual Meeting in January from the Members then present, who shall report to the next Annual Meeting.

VIII. A Member must be three years on the Roll of the Society before he or his widow shall be entitled to receive either casual or permanent relief from the funds; and in all cases the Directors assembled at any Quarterly or *pro re nata* Meetings shall be the sole judges of the right to, and amount of, the permanent or temporary relief to be afforded. And in case of any difference of opinion amongst the Directors present at such Meeting, such difference of opinion shall be determined by a majority of votes: Declaring that in no case shall any Member of the Society, or any widow of a member, be entitled to demand relief, nor shall the Society be bound to afford it, such relief being entirely voluntary on the part of the Society, and to be given or withheld at pleasure; and declaring that in no year shall the Directors be entitled to spend in relief or charity of any kind, more than the free annual income arising from the capital stock of the Society. The roll of pensioners shall be revised annually.

IX. The funds of the Society shall be lent out on good Heritable

Security, or in the purchase of Heritable Property, Feu Duties, or Ground Annals, or on the Mortgages or Debentures of public or Corporation Trusts, sanctioned or authorised or incorporated by Act of Parliament; the Directors having power to change, sell or vary such investments from time to time, as they see fit, and also if considered necessary or expedient by the Directors to borrow on the security of any heritable subjects they may purchase, and to grant the necessary Deeds in connection with such securities; and the rights and vouchers for the Society's investments shall be taken in the names of the President, Secretary and Treasurer for the time being, and their successors in office, as Trustees for the Society; and the writings and other valuable documents of the Society shall be deposited in the Society's Box, or in such other safe custody as the Directors may from time to time appoint.

X. The foregoing Rules are hereby declared to be the fundamental Rules and Bye-laws of the Society, and no alteration whatever shall be made thereon, unless proposed at an Annual General Meeting; and in the event of any such alteration being proposed, the motion for such alteration shall lie on the table until the next Annual General Meeting, when it shall be disposed of; and such alteration being approved of, shall be engrossed in the Minute Book, and binding on all concerned: Declaring that notice of such alteration shall be given in the circular calling the Annual General Meeting. Should the Member giving Notice of Motion not be present at the Annual Meeting at which it fails to be considered, any Member may competently move same.

The foregoing were approved of and adopted as the Rules of the Society, at a meeting held for the purpose in the Mechanics' Hall, Calton, on the 22nd day of May, 1877; and at subsequent meetings at which they were amended held on 27th January, 1881, 27th January, 1887, 27th January, 1891, 20th January, 1892, 27th January, 1896, 27th January, 1899, 14th January, 1901, 12th January, 1905, 19th January, 1912, 13th January, 1913, and 20th January, 1914.
