At the front of the minute book was found the rules of the competition of the Annual Golf Competition of the Fourteen Incorporated Trades.

The Rules read as follows:

Rules

2. The game shall be one of a Handicap Stroke Competition, under the local rules of whichever Course the game is played on.
3. All entries, with entry money of 6/- each, shall be sent in before 10th April, to the Representative of each Incorporation acting on the Committee. The Committee will provide Gold Badges for the Winning Couple and will have the name of the Incorporation inscribed on the Trophy along with the Winner's Names.
4. Each Entrant must state the name of the Club or Clubs of which he is a member, with the handicap he has at present therein. The handicap of each couple shall be the average of their handicaps.
5. Entrants who are not members of a recognised Golf Club, or are members, but have never played for handicap, shall play from scratch.
6. One round of the Course of 18 holes shall constitute the game, and in the event of any ties same shall be decided by playing to a finish. Each Couple must return their cards to the Secretary on the conclusion of the game, and that in the event of only one of a Couple turning up to play in the Competition, such player must play as drawn and take his opponent's score, his own score not counting.
7. The Incorporation represented by the Winning Couple shall hold the Trophy for one year, and shall be responsible for its safe custody, and shall return it to the Secretary at least one week prior to the next Competition, and shall give it over for the decoration of the Annual Dinner of the Trades' House, if so, required by the Clerk of the House.
8. All arrangements and disputes shall be settled by the Committee, who shall have the power to alter and amend the Rules from time to time. Any alterations shall be intimated to the Trades' House for approval.

9. The players shall meet after the game at a time and place fixed by the Committee, when the Trophy and Badges shall be presented.
10. The Committee shall consist of Fourteen Representatives – One appointed annually by the Master Court of each Incorporation, not later than 31st December. The Committee so appointed shall make all arrangements for the following season.
11. The Competition shall be limited to past and present members of the Trades' House along with the present members of the Master Courts of the various Incorporations and their Clerks, and in the event of any Incorporation having only one eligible player, the Court will have the power to draw one player from the craft as his partner, whose name will be required to be submitted to the Committee for approval.

No date has been indicated on the Rule book.

Prior to the first meeting of the Incorporations on the subject of starting a Golf Competition the following article was sent to and printed by a Glasgow Newspaper on 24th October 1905 by a member of the Incorporation of Bakers:

Trades House Golf Trophy

TO THE EDITOR.

As a golfer and a member of the Baker's Incorporation, I think the idea of a Trades' House Golf Trophy for competition among the various Incorporations is an excellent one. It would be an exceedingly good means of bringing the members of the various Incorporations together and also to bring them into contact with the head centre of the Incorporations – viz., the Trades' House. A special advantage would be that it would be bringing them together in the spring, summer, and autumn months when there is nothing else to do.

Besides it might be a means of enabling the Incorporations to recruit among the general ranks of golfers. I hope the correspondence which has taken place on the matter will receive earnest attention from those at the head of affairs.

The Sub Committee also took into consideration the question of Gold Badges for the winners the point, to there being handmade or die struck was discussed and after due consideration it was decided to have them made from a die, so that in all time coming, the medals would be exactly the same. Mr Laing, being asked to get up a

design and provide the badges.

The question of scoring cards for the Competition was also brought before the meeting, and it was decided, just to use the cards in use at which ever Course the Game was played over.

9th February 1906

Mr Laing called on Deacon Rome on 9th February after having seen Mr Lumsden, Clerk to the Trades' House, who had explained that Tuesday being the 1st of May was not a suitable date for the Golf Competition as most of the Collectors of the different Incorporations as also the Collector of the Trades' House would be busy on that day paying the Pensioners, after considering the matter Deacon Rome and Mr Laing agreed to alter the date for this year's competition to Tuesday 8th May, it being considered unnecessary to call a special meeting for that purpose.

Deacon Rome and Mr Laing also approved of a very neat design for the Gold Badges and ordered two dies for the making thereof. The badges to be made in 15 carat Gold at a cost of 45/- each to be made by Messr J R W Laing, 10 Gordon Street, Glasgow who agreed to pay for and hold the dies, which cost £6.

 W McLeod Jardine

The Secretary read the minutes and statement of accounts for the past year which were approved.

On the motion of Mr Laing, Mr McLeod Jardine was again appointed Convener of Committee.

Sub Committee appointed were:

Messrs W McLeod Jardine
 George W Younger
 James Wylie
 John Malcolm
 Robert Laing

Mr Laing was again appointed Honorary Secretary.

The Chairman intimated that the Deacon Convener had kindly arranged to present two second prizes.

The Secretary was instructed to write to the Secretary of the Coal Trade Golf Match and also to the Shipping Trade Golf Match pointing out to them that the Glasgow Trades' House Golf Competition had been fixed for Tuesday 5th May and expressed the hope that they would not fix that date for their game as we had many members interested in both Trade Matches.

Mr Keppie suggested, and the Secretary was instructed to keep a record of scores and handicaps of the players, so that the Sub Committee could better decide the handicaps.

After discussion the Committee decided to make to Irvine Golf Club, Bogside for this year's competition, and the Honorary Secretary was instructed accordingly.

On the motion of Mr G W Younger and seconded by Mr Norrie, it was agreed to add to the rules as follows,

“That in the event of only one of a couple turning up to play in the Competition, such player must play as drawn and take his opponents score, his own score not counting.”

And in accordance with the Rules the Secretary was instructed to intimate same to the Trades' House for approval.

The question of handicapping the players was left to the discretion of the Sub Committee.

This being all the business, a vote of thanks to the chairman, concluded the meeting.

3rd February 1908

As arranged by the Sub Committee and after communications received from the Secretary of the Coal and Shipping Trades Golf Competitions, whose date for their match, has been the first Tuesday in May, for the past ten years, your Committee therefore thought it advisable to alter our Rules, the first Rule to read as follows:

“The Competition shall take the form of foursome on a date arranged by the Committee and in the order of the draw.”

The Secretary was instructed to intimate the same to the Clerk of the Trades' House and also the Secretaries of the Coal and Shipping Trades and an application made to the Secretary of the Irvine Golf Club, for the privilege of having our Competition played on their course at Bogside on Tuesday 28th April or if that date was not suitable, any other date they found more convenient.

8th February 1908

On the 8th February I received a letter in reply to my application, granting me the privilege of the course and Club House at Bogside on Tuesday 28th April on condition that members of the Club have precedence in starting before our competitors and also an entrance fee of 5/- for the party be paid, also that a full list of names and addresses of the competitors and guests be sent and to come before the Committee of the Irvine Golf Club for admission as temporary members for the day.

8th February 1908
